La ce au fost bune oasele, carnea, inima, sangele, creierul, sufletul, si inteligenta, fara cartea Etern Ordin, si numele creatorului existentei? Sufletul neinstalat cu Etern Ordin, si numele creatorului existentei se va dizolva in soare, la fel ca carnea, inima, creierul, si oasele. Oriunde duceti engleza, araba, chineza, rusa, Biblia, Coranul, etc, voi o sa vedeti, ca ele spun minciuni despre numele creatorului existentei, adevar, eternitate, legile intelegerii, legile ordinii, etc. ----- Daca nu exista cartea Etern Ordin, chiar creatorul existentei si corpul invizibil viu infinit, spuneau minciuni despre numele creatorului existentei, adevar, eternitate, legile intelegerii, legile ordinii, etc, tot infinitul. ---- Cine a inventat limbile romana, chineza, rusa, araba, engleza, etc, si cine a inventat Biblia, Coranul, etc, nu au avut chiloti, au trait in pesteri, nu au auzit niciodata numele creatorului existentei, nu stiau ca exista anatomia, matematica, microcipul, etc, nu stiau nici macar ce forma are planeta Pamant, etc. Cum sa ai incredere in astfel de persoane zei si creaturi? ---- Cine a inventat cartea Etern Ordin are foarte multe cunostinte despre adevar, infinit, magie, telepatie, telekinezie, anatomie, matematica, informatica, eternitate, moarte, iaduri, toti si toate. ---- Cine a inventat cartea Etern Ordin nu are nevoie de apa, mancare, haine, limba, aparatori, amatori, bani, aur, energii, timp, spatiu, existenta, etc, pentru ca este invizibil. Este creatorul existentei. ----- Creatorul existentei este invizibil pentru Allah, Ra, Iehova, Maria, Isus Hristos, oricine si orice. Acestia imi spun profetul mincinos, din cauza ca eu le arat si demonstrez video, o creatura pe care ei nu o pot vedea. Este chiar creatorul lor. ---- Creatorul existentei a fost prin telepatie in

gandurile lor, fara ca acestia sa isi dea seama. Mi-a demonstrat mie creatorul existentei cum sta in gandurile mele fara ca eu sa imi dau seama, sau sa ma pot opune. --- Nici macar soarele nu se poate izola de telepatia creatorului existentei. La ordinul telepatic al creatorului existentei, miscarea galaxiei solare va fi oprita. ---- Sufletele instalate cu minciuni, vor fi teleportate in iad, in soare. Sufletele instalate cu numele creatorului existentei si Etern Ordin, vor ramane langa creatorul existentei. Chiar daca nici un suflet si nici un zeu nu sunt capabili sa vada creatorul existentei, ei vor fi adusi langa creatorul existentei prin telepatie. --- Eu am ajuns langa creatorul existentei si cartea Etern Ordin, teleghidat prin telepatie de catre creatorul existentei. ---- Mafia 13, mafia Memphis, diavolii, etc, au incercat sa ma alunge de langa creatorul existentei, prin amenintari, gaze, telepatie, insulte, asasinari, mutilari, santaj, epuizari, infectii, etc. ---- Mafia 13, mafia Memphis, diavolii, etc, vor incerca si dupa moartea corpului sa ma alunge de langa creatorul existentei si cartea Etern Ordin. ---- Nici tatal, nici fiul, nici etc, nu sunt capabili sa ma alunge de langa creatorul existentei si cartea Etern Ordin. ---- Am distrus miliarde de galaxii, care au incercat sa imi distruga inlocuiasca sau insulte studiile, creatorul, adevarul, realitatea, cartea Etern Ordin, etc. ---- Voi distruge toate galaxiile care vor incerca sa imi distruga inlocuiasca sau insulte studiile, creatorul, adevarul, realitatea, cartea Etern Ordin, etc. Eu nu sunt nici Alfa nici Omega, eu sunt creatorul lor. Creatorul meu este creatorul existentei. Creatorul meu si al vostru, nu este gandacul Egipt, porcul Allah, mielul Israel, oaia Italia, bicicleta NASA, capra etc, sarpele Eva, etc. Creatorul meu si al vostru, este ILIS INIS GSEIS, 3816, 24999, 707, tot infinitul. ---- Exterminarea la toate persoanele zeii sufletele etc, anti Etern Ordin, este foarte bine stiintific magic video matematic etc, anuntata de creatorul existentei, cu un preaviz de 36 de ani si 6 luni. Eu am crezut ca este o gluma, sau mafia 13, sau mafia Memphis, sau corpul inteligenta magia si energiile corpului meu, sau magii din China Japonia India Africa Israel Egipt Islam Italia Vatican Rusia America etc, sau etc. Nu. Sunt prea slabi si prosti sa realizeze astfel de coduri video, mesaje, si magii. Numai creatorul existentei poate realiza mesaje video precum Etern Ordin, SSS666NNN, si redistrugerea si refacerea existentei, A16:A26=24999 este suma dintre cartea “Apocalipsa” si cartea “Gloria”, A7:A18=24999 este suma dintre cartea “Da” si cartea “Cine nu te invata Etern Ordin te omoara trup suflet si intelectual”. Aceiasi suma 24999 este si intre Apocalipsa si Gloria. Aceiasi suma 24999 este de doua ori, in 42 de carti. Nu ascundeti alte zile exterminarea la toate persoanele care nu cunosc Etern Ordin, si numele creatorului existentei. Ati ascuns deja zece ani. Ati primit si demonstratii Coronavirus, Fukushima, etc. Deci va fi apocalipsa din cauza ca nu vreti sa invatati Etern Ordin. Daca voi ati fi aruncat in foc in anul 2011, toti regii, politicii, preotii, magii, judecatorii, psihologii, etc, care nu vor sa asculte de aparitia video a creatorului existentei din anul 2011, apocalipsa, redistrugerea si refacerea existentei, putea fi evitata. Inca mai aveti timp sa salvati galaxia solara de la redistrugere si refacere. Aruncati in foc imediat, toti regii, politicii, preotii, magii, judecatorii, psihologii, etc, care nu vor sa asculte de aparitia video a creatorului existentei din anul 2011, 2019, 2021. Sau punetii intr-un loc sa ai arunc eu in foc. ---- Daca toate persoanele de pe planeta Pamant, cantau in anul 2011, Gloria Etern Ordin, Gloria ILIS INIS GSEIS, nu se ajungea la epidemia Coronavirus. --- Daca toate persoanele de pe planeta Pamant, vor incepe sa cante, Gloria Etern Ordin, Gloria ILIS INIS GSEIS, nu o sa mai vedem alte epidemii internationale, explozii nucleare, cutremure, razboaie, etc. ---- Daca toate persoanele de pe planeta Pamant, vor incepe in timp, sa cante, Gloria Etern Ordin, Gloria ILIS INIS GSEIS, nu o sa vedem redistrugerea si refacerea existentei. --- Vor muri sapte miliarde de persoane in apocalipsa Etern Ordin, si unii zeii suflete si persoane inca nu vor vrea sa cante Gloria Etern Ordin, Gloria ILIS INIS GSEIS. De aceea existenta va fi redistrusa si reconstruita. --- Din pacate diavolii, escrocii, complicii si victimele lor, vor fi aruncati in foc, in soare, in iad, cu tot cu planeta Pamant. Din cauza ca nimeni nu poate arunca in foc toti diavolii si complicii lor, creatorul existentei v-a arunca planeta Pamant in soare, in foc. --- Eu inca nu sunt constient ca galaxia solara va fi redistrusa si reconstruita din cauza ca galaxia nu poate fi dezinstalata de minciuni, cenzura, dezinformare, alcol, Biblie, Quran, engleza, araba, rusa, chineza, razboaie, etc. ---- Incerc sa vad daca exista alte solutii mai economice, inteligente, etc. Sa ramana galaxia, si doar zece persoane? Se poate? Nu este mai convenabil? Chiar nu mai sunt buni la nimic zeii, sufletele, persoanele, etc, din galaxia solara? Chiar au insultat asa de tare creatorul existentei, stiintele, pacea, adevarul, etc, incat nici macar galaxia, aerul, apa, etc, nu mai pot fi purificate? ---- Cand aveam 45 de ani nu stiam ca exista formula 24999. Abia am aflat si eu anul asta. Pregatiti-va sa numarati sapte miliarde de morti. --- Telepatia sufletului meu, creatorul creatorilor, regele regilor, dumnezeul dumnezeilor, creatorul timpului spatiului existentei inteligentei microcipului etc, etern invizibil, NMEILIS NMEINIS ESGSEIS. Un fericit si calduros S666N. Un fericit si calduros Etern Ordin Infinit.

He is the creator of existence. ----- The Creator of existence is invisible to Allah, Ra, Jehovah, Mary, Jesus Christ, everyone and everything. They call me the false prophet, because I show them and demonstrate on video, a creature that they cannot see. He is their creator. ---- The creator of existence was through telepathy in their thoughts, without them realizing it. The creator of existence demonstrated to me how he is in my thoughts without me realizing it, or being able to oppose it. --- Not even the sun can isolate itself from the telepathy of the creator of existence. At the telepathic order of the creator of existence, the motion of the solar galaxy will be stopped. ---- Souls installed with lies will be teleported to hell, to the sun. A16: A26 = 24999 is the sum between the book "Apocalypse" and the book "Glory". A7: A18 = 24999 is the sum between the book "Yes" and the book "Who does not teach you Eternal Order, kills you body soul and intellectual." The same amount 24999 is twice, in 42 books. Do not hide other days the extermination at all persons who do not know Eternal Order, and the name of the creator of existence. You've been hiding for ten years. You also received demonstrations of Coronavirus, Fukushima, etc. So it will be the apocalypse because you do not want to learn the Eternal Order. If you had thrown into the fire in 2011, all kings, politicians, priests, magicians, judges, psychologists, etc, who do not want to hear about the video appearance of the creator of existence in 2011, the apocalypse, the re-destruction and rebuilding of existence, could be avoided. You still have time to save the solar galaxy from re-destruction and rebuilding. Throw into the fire immediately, all the kings, politicians, priests, magicians, judges, psychologists, etc, who do not want to hear about the video appearance of the creator of existence from the year 2011, 2019, 2021. ---- If all the persons on planet Earth, sang in 2011, Gloria Etern Ordin, Gloria ILIS INIS GSEIS, the Coronavirus epidemic would not be reached. ---- If all the persons on planet Earth, start singing, Gloria Eternal Order, Gloria ILIS INIS GSEIS, we will not see other international epidemics, nuclear explosions, earthquakes, wars, etc. ---- If all the persons on planet Earth, begin in time, to sing, Gloria Eternal Order, Gloria ILIS INIS GSEIS, we will not see the re-destruction and rebuilding of existence. --- Seven billion people will die in the apocalypse Eternal Order, and some soul gods and persons still will not want to sing Gloria Etern Ordin, Gloria ILIS INIS GSEIS. That is why existence will be re-destruction and rebuilding. --- Unfortunately, the devils, crooks, accomplices and their victims will be thrown into the fire, into the sun, into hell, along with the planet Earth. Because nobody can throw all the devils and their accomplices into the fire, the creator of existence threw the planet Earth into the sun, into the fire. --- I am not yet aware that the solar galaxy will be re-destroyed and rebuilt, because the galaxy cannot be uninstalled by lies, censorship, misinformation, alcohol, the Bible, the Quran, English, Arabic, Russian, Chinese, wars, etc. ---- I'm trying to see if there are other more economical, intelligent solutions, etc. Remain the galaxy, and only ten persons? May? Isn't it more convenient? Are the gods, souls, persons, etc, from the solar galaxy really good for nothing? Did they really insult the creator of existence, sciences, peace, truth, etc, so much that not even the galaxy, air, water, etc, can be purified? ---- When I was 45 I didn't know there was formula 24999. I just found out this year. Prepare to count seven billion dead. --- The telepathy of my soul, the creator of creators, the king of kings, the god of gods, the creator of the space-time of the existence of the microchip's intelligence, etc., eternally invisible, NMEILIS NMEINIS ESGSEIS A happy and warm S666N. 3215. These invisible creatures are beyond my imagination. I have no idea how the creator of existence and the infinite alive invisible body, have managed to make the video codes Etern Ordin, SSS666NNN, 24999, etc. ----- Do not be afraid that you live in the infinite alive invisible body and he know all your thoughts and life, if your thoughts and life, are synchronized with the book Eternal Order. ---- I'm sorry because I talked to uninformed persons about such codes and creatures. The smartest were silent, or told the truth. This information and creatures go beyond the studies and information they have. The most possessed attacked. ----- These invisible creatures communicated video with me through telepathy telekinesis gematry numerology magic etc. Although I was misinformed, etc. ----- The information on which I received, goes beyond the studies and information on which I have, and on which have, all gods, souls, persons, etc, from infinity. ----- The information on which I received, announced the end of persons, and apocalypse. Probably the people's mission is over. Creators have demonstrated their existence, name, power, intelligence, etc. ----- Each person has to inform and install a soul. The information and memories from his life will remain in that soul. With that soul and information it will remain in infinity. ----- Souls can be seen through telepathy. Just like the seven-chakra mafias, the creator of existence, and the infinite alive invisible body. The strongest can violate the thoughts of the weakest. ----- The infinite alive invisible body has permanent access to the thoughts of all persons, gods, souls, creatures, animals, insects, birds, fish, etc, from infinity. ----- All persons, gods, souls, creatures, animals, insects, birds, fish, etc, from infinity, have access to information from the infinite alive invisible body. --- The telepathic information, from the infinite alive invisible body, to which all the existences from infinity are connected, differs from the form, intelligence, age, education, activity, purpose, etc, that each species has. ----- Existence was explained when information, technology, tools, etc, were found. Each existence is equipped with an antenna with which it connects to telepathic information, from the infinite alive invisible body. ---- The most sophisticated and complicated connections between a creature and the infinite alive invisible body have been videotaped in the video codes Eternal Order, SSS666NNN, 24999, etc. ----- If I hadn't been involved in these demonstrations, it would have been someone else. Nobody can oppose, or isolate from telepathy, the infinite alive invisible body and the creator of existence. ----- From telepathy to the seven chakras mafias, persons are isolated with metal vaccines, food and drinks intoxicated with metals, Teflon, etc. When the mafias seven chakras want to control the thoughts of a person, they intoxicate his body with nitrogen, etc. ---- The telepathic investigations carried out by the seven chakras mafias, consist in intoxicating the victims with blackmail, nitrogen, censorship, misinformation, lay people, terrorists, idiots, provocateurs, etc. ----- The seven chakras mafias on planet Earth have not found the answer, the technology, and the creatures that participated in the making of the video codes Eternal Order, SSS666NNN, 24999, etc. ----- I found the answer, the technology, and the creatures that participated in making the video codes Eternal Order, SSS666NNN, 24999, etc, but I did not find the explanations. No god or person has any thoughts on finding an explanation for these codes. ---- From these codes, it results to me that the souls installed with the Quran Bible misinformation lies prayers nothing crimes etc, will be teleported in hell in the sun, for erasure of memory and punishment. ---- From these codes, it results to me that the souls installed with the book Eternal Order, and the video codes Eternal Order, SSS666NNN, 24999, etc, will remain in infinity to infinity. ----- The creator of existence, the book Eternal Order, and the video codes Eternal Order, SSS666NNN, 24999, etc, are needed for all, to reach these technologies and information, and to remain in infinity to infinity. ----- There are many gods, persons, etc, installed with the Stone Age, lies, the Bible, the Quran, misinformation, etc, who want to give me advice about this information and creatures. ----- At first, I started asking for advice about this information and creatures from other persons more misinformed than me. Since 2011, these codes are online. Nor a magician, God, etc, on planet Earth, has not explained these codes. ---- Since 2011, we have video information on planet Earth, which cannot be explained or repeated by nor a god, magician, person, creature, etc. Information announcing the end of the solar galaxy. And the causes. ---- All the gods, priests, politicians, judges, psychologists, magicians, etc, from infinity, are obliged since 2011, to answer and give up the microphones. ---- I am forced by the infinite alive invisible body, to lead all creatures to Eternal Order, or they will be exterminated by events such as Fukushima, Coronavirus, apocalypse, etc. ---- It is good for everyone, because the creator of existence, has explained to us, his existence and his name, in the age of the microchip, online video, with the help of magic, telepathy, telekinesis, mathematics, excel, gematry, numerology, etc. ---- It would have been very bad for everyone, if the creator of existence, would have explained, his existence and his name to us, in the stone age, on the rocks, with the help of hieroglyphs, telepathy, and naked and unconscious persons. ---- The persons of the stone age and those of the microchip

age, are identical, when they have to study believe and listen to information such as Eternal Order, SSS666NNN, 24999, etc. It seems to me that this information is only for the creator of existence. ---- CIA, Vatican, NATO, G20, Allah, Ra, Jehovah, Mary, Jesus Christ, Adam, Eve, etc, are more misinformed than me, regarding the creator of existence, the infinite alive invisible body, peace, order, understanding, eternity, and video codes Etern Order, SSS666NNN, 24999, etc. ---- Only murderous, misinformed, and terrorists, do not want to do what anatomy, mathematics, sciences, magic, eternity, order, understanding, justice, peace, unity, the creator of existence, Eternal Order, and the infinitely alive invisible body, want. ----- Only assassin, misinformed and terrorists, want to do what death, hell, wars, stupidity, stone age, lies, antianatomy, antisciences, misinformation, alcohol, madness, idiots, English, Arabic, Bible, Quran, etc, want. ---- The telepathy of my soul, the creator of creators, the king of kings, the god of gods, the creator of the space time existence intelligence microchip etc, eternally invisible, NMEILIS NMEINIS ESGSEIS. Dupa asta, creatorul existentei, pe unii zei si suflete, ai invata sa devina invizibili la oricine si orice, magii, secretele teleportarii in infinitul spatiu, etc. ---- Creatorul existentei, nu isi poate clona existenta mai mult de 50%. --- Allah, Ra, Iehova, Maria, Isus Hristos, CIA, FBI, NASA, NATO, Vatican, mafia 13, mafia Memphis, etc, in ultimii zece mii de ani, au reusit sa cloneze creatorul existentei doar 10 la suta. ----- Creatorul existentei este aici langa mine, si imi dicteaza prin telepatie acest adevar. Nu ma ocup de cultura, idei, iluzii, minciuni, si traditie. Se vede in codurile video supranaturale de telekinezie si telepatie SSS666NNN Etern Ordin 24999 etc, ca creatorul existentei nu este cultura, idei, iluzii, minciuni, si traditie, si este creatura invizibila magica existenta inteligenta folositoare puternica periculoasa salvatoare etc. ---- Creatorul existentei, a comunicat cu mine, chiar daca am fost inconjurat numai de minciuni, secrete, Biblie, Quran, tv, engleza, araba, politica, filme, munca, stres, dezinformare, necunoscut, etc. ---- Eu comunic cu voi chiar daca sunteti inconjurati stresati ocupati si epuizati numai de minciuni, secrete, Biblie, Quran, tv, engleza, araba, politica, filme, munca, stres, dezinformare, necunoscut, etc. ---- Creatorul existentei m-a convins pe mine, ca el exista, pentru ca el a stat cu mine, 13 ani. Pe voi nu va poate convinge, decat daca sta cu fiecare dintre voi, 13 ani. Azi e 13 iulie 2021. Pe 13 iulie 2012, l-au asasinat pe tata in spital pe litera t si numarul 13. Infarct. Amenintari, intimidari, santaj, tentative de omor, etc. Nu le place adevarul, nu vor sa fiti eliberati de minciuni, asteptare, secrete, razboaie, comploturi, etc. ----- Eu nu va pot convinge ca exista creatorul existentei nici macar daca stau cu fiecare dintre voi cate 130 de ani.. ---- Creatorul existentei va exista numai in adevar, realitate, infinit, spatiu, iubire, eternitate, ordine, egalitate, intelegere, cartea Etern Ordin, si codurile video supranaturale de telekinezie si telepatie SSS666NNN Etern Ordin 24999 etc. Este imposibil ca creatorul existentei, sa existe in creierul gandurile inima sangele si corpul persoanelor din infinitul trecut spatiu si din infinitul viitor spatiu. Este imposibil ca creatorul existentei, sa existe in gandurile zeilor sufletelor etc, din infinitul trecut spatiu si din infinitul viitor spatiu. De aceea numele creatorului existentei nu a fost scris in nici o carte. Si totusi creatorul existentei exista. Am vazut eu video online, in codurile video supranaturale de

telekinezie si telepatie SSS666NNN Etern Ordin 24999 etc. Sunt convins ca nu ma inseala vederea, matematica, videocamera, stiintele, magia, telepatia, telekinezia, inteligenta, gandurile, si creatorul existentei. Ma vor urmari si insulta tot infinitul trecut spatiu si tot infinitul viitor spatiu. Dar nu am sa fac cum vor ele, si nu am sa ma transform asa cum vor ele. Niciodata si nicaieri. Eu sunt transformat asa cum vrea anatomia, matematica, stiintele, creatorul existentei, adevarul, iubirea, ordinea, intelegerea, Etern Ordin, etc. Asa am fost, asa sunt, si asa voi ramane tot infinitul timp si tot infinitul spatiu.---- Eu vreau de la creatorul existentei sa ma invete legile eternitatii iubirii infinitului ordinei intelegerii etc, si dupa asta daca este posibil si timp sa ma invete sa devin invizibil, sa ma teleportez, etc. ---- Am investit 13 ani din viata mea sa caut creatorul, adevarul, eternitatea, etc, si le-am gasit, si le-am inregistrat in codurile video supranaturale de telekinezie si telepatie SSS666NNN Etern Ordin 24999 etc, si le-am scris in cartea Etern Ordin. Desi ar parea ca nu le va folosi nimeni. Dar ele exista video astazi. La acest loc de munca am avut foarte mari si multe pierderi economice, medicale, etc. Din cauza ca traim intr-o planeta de monstri pedofili talhari asasini escroci mincinosi eve diavoli satane complici si victime. Unii vor sa imi fure si ingroape rezultatele in cenzura, nuclear, dezinformare, beton, radiatii, telepatie, gaze, asasinari, intimidari, santaj, tentative de omor, mita, etc, chiar video online, din anul 2011. Nimeni nu ma ajuta. Foarte multi ma ingreuneaza, ataca, streseaza, ameninta, santajeaza, intimideaza, etc. ---- Nici macar eu, nu am voie sa vorbesc despre creatorul existentei, adevar, eternitate, etc. Numai cartea cartea Etern Ordin, codurile video supranaturale de telekinezie si telepatie SSS666NNN Etern Ordin 24999 etc, magia si stiintele au dreptul sa vorbeasca despre creatorul existentei, adevar, eternitate, etc. ---- Telepatia sufletului meu, creatorul creatorilor, regele regilor, dumnezeul dumnezeilor, creatorul timpului spatiului existentei inteligentei microcipului etc, etern invizibil, NMEILIS NMEINIS ESGSEIS. Cat suporta creierul uman. Apoi a fost efectuata judecata eterna a infinitului, existentei, magiei, eternitatii, mortii, stiintelor, tehnologiei, ordinei, toti si toate. Practic in hotararea judecatoreasca efectuata de creatorul existentei, corpul invizibil viu infinit, stiinte, magie, etc, si expusa in cartea Etern Ordin si codurile video supranaturale de telekinezie si telepatie SSS666NNN Etern Ordin 24999 etc, este o lista cu tot ce va ramane in existenta si in infinitul viitor spatiu. Vad la Fukushima, Hiroshima, Cernobil, Coronavirus, etc, ca nu este o idee, cultura, sau joaca. Sunt inceputurile exterminarii si apocalipsei. ---- Avem judecatori magi preoti savanti si zei capabili sa judece numai copiii, epoca de piatra, etc. Din anul 2011, nimeni de pe planeta Pamant, nu a gasit judecatori magi preoti savanti si zei sa vada inteleaga si judece codurile video supranaturale de telekinezie si telepatie SSS666NNN Etern Ordin 24999 etc. ---- Toti zeii sufletele persoanele etc, care nu cunosc cartea Etern Ordin, si numele creatorului existentei, sunt in razboi cu creatorul, eternitatea, pacea, iubirea, adevarul, ordinea, intelegerea, dreptatea, unitatea, ei, toti si toate. ----- Multi zei suflete persoane preoti magi judecatori politici etc, au fost mincinosi, escroci, rasisti, asasini, etc, din cauza ca nu au fost ajutati suficient de anatomie, stiinte, creator, magie, cartea Etern Ordin, tehnologie, epoca microcipului, etc. ---- Multi zei suflete persoane preoti magi judecatori politici etc, au fost mincinosi, escroci, rasisti, asasini, etc, din cauza ca au fost ajutati numai de alcol gaze minciuni, epoca de piatra, dezinformare, secrete, necunoscut, etc. ----- Creatorul existentei, corpul invizibil viu infinit, adevarul, iubirea, pacea, eternitatea, etc, nu pot trai nici macar o zi in engleza, araba, Biblie, Quran, minciuni, etc. Nici macar nu pot intra in ele.---- Cu cat aveti mai multi zei, persoane, creaturi, etc instalati corect stiintific real si complet cu atat aveti mai putine razboaie, rasisti, nebune, idioate, paraziti, esroci, etc. Cu cat aveti mai multi zei, persoane, creaturi, etc instalati cu limba romana, cartea Etern Ordin, si codurile video supranaturale de telekinezie si telepatie SSS666NNN Etern Ordin 24999 etc, cu atat aveti mai putine razboaie, rasisti, nebune, idioate, paraziti, esroci, etc. ----- Cu cat aveti mai multi zei, persoane, creaturi, etc instalati cu limbile engleza rusa chineza araba etc, epoca de piatra, Biblie, Quram, minciuni, prostie, alcol, dezinformare, etc, cu atat aveti mai multe razboaie, rasisti, nebune, idioate, paraziti, esroci, etc.----- Nu va deranjati sa faceti pace intre evrei catolici musulmani arabi chinezi rusi englezi dezinformati etc, pentru ca nu poate nici creatorul, stiintele, magia, bombele nucleare, santajul, amenintarile, cadourile, etc. Lasati ca poate apocalipsa sa faca pace intre toti. ---- Nu va chinuiti sa duceti microcipul in epoca de piatra, ca nu a putut nici

Nu va chinuiti sa vedeti adevarul, iubirea, pacea, ordinea, intelegerea, creatorul, corpul invizibil viu infinit, si Etern Ordin, cu ajutorul la epoca de piatra, engleza, araba, Biblie, Quran, etc, pentru ca este imposibil, si pentru ca nu le poate vedea nici macar creatorul si corpul invizibil viu infinit. Daca se putea vedea adevarul, eternitatea, creatorul existentei, etc cu ajutorul la Biblie, Quran, sapte chakre, etc, ne comunica creatorul existentei. Cine spune ca a vazut adevarul, pacea, ordinea, intelegerea, eternitatea, creatorul, etc cu ajutorul la sapte chakre, engleza, araba, Biblie, Quran, epoca de piatra, etc, este mincinos. 3251. Gods, persons, souls, etc, have judged, judge and will judge the existence, infinity, time, space, anatomy, mathematics, chemistry, sciences, magic, telepathy, telekinesis, death, eternity, unity, equality, order, understanding, peace, love, gods, persons, children, elderly, souls, animals, creatures, possessions, teleguides, drug addicts, misinformation, scientists, psychologists, magicians, atheists, fascists, communists, etc. Billions of decisions have come out in infinite time and infinite space, very different from each other. Judgment and decision at some persons gods etc, about microchip creator technology eternity etc, is the age stone, at others is censorship, at others is misinformation, at others is alcohol, at others is disinterest, at others is Egypt, at others is Israel, at others is Islam, at others is year 2000, at others is America, at others is fascism, at others is English, at others is Chinese, at others is Indian, at others is Bible, at others is Quran, at others is the Third World War, at others is biological nuclear and chemical terrorism, at others is apocalypse, to others is etc. ----- The gods and persons from stone age, have judgments and decisions about infinite eternity truth microchip etc, various of judgments and decisions expressed by children from the age of the microchip, or scientists gods psychologists priests etc from the end of the infinite future space. ---- The judgment and decision made by the creator of existence, the infinite alive invisible body, anatomy, mathematics, sciences, order, understanding, unity, eternity, etc, about them, you, peace, eternity, gods, souls, persons, etc, is written in the book Eternal Order and the supernatural video codes of telekinesis and telepathy SSS666NNN Eternal Order 24999 etc. They have given us a notice, with 36 years and 6 months. I still think it's a culture, a trick, etc. It is about the apocalypse and judgment of all gods, souls, persons, sciences, phenomena, etc from all infinity, made by the creator of existence, the infinite alive invisible body, anatomy, mathematics, sciences, order, understanding, unity, eternity, etc. First we have been informed awake and fully matured. How much does the human brain support. Then was made the eternal judgment of the infinity, existence, magic, eternity, death, sciences, technology, order, everyone and everything. Basically in the judgment and decision made by the creator of existence, the infinite alive invisible body, sciences, magic, etc, and exposed in the book Eternal Order and the supernatural video codes of telekinesis and telepathy SSS666NNN Eternal Order 24999 etc, is a list of everything that will remain in existence and in the infinite future space. I see in Fukushima, Hiroshima, Chernobyl, Coronavirus, etc, that it is not an idea, culture, or game. These are the beginnings of extermination and the apocalypse. ---- We have judges, magicians, priests, and gods capable to see to understand and to judge only children, the stone age, etc. Since 2011, nobody on planet Earth has not found nor a judge magician priest or god to see to understand and to judge the supernatural video codes of telekinesis and telepathy SSS666NNN Eternal Order 24999 etc. ---- All gods, souls, persons, etc, who do not know the book Eternal Order, and the name of the creator of existence, are in war with the creator, eternity, peace, love, truth, order, understanding, justice, unity, they, everyone and everything. ----- Many persons, souls, gods, priests, magicians, politicians, judges, etc, have been liars, crooks, racists, assassins, etc, because they have been not helped enough by anatomy, sciences, creator, magic, the book Eternal Order, technology, the age of the microchip, etc. ---- Many gods souls persons priests magicians politicians judges etc, have been liars, crooks, racists,

assassins, etc, because they were helped only by alcohol, gas, lies, stone age, misinformation, secrets, unknown, etc. ----- The creator of existence, the infinite alive invisible body, truth, love, peace, eternity, etc, cannot live even a day in English, Arabic, Bible, Quran, lies, etc. They can't even get into them .---- If you have, more gods, persons, creatures, etc installed more scientifically correct and complete, you have fewer wars, racists, lunatics, idiots, parasites, crooks, etc. If you have, more gods, persons, creatures, etc installed with Romanian language, the book Eternal Order, and the supernatural video codes of telekinesis and telepathy SSS666NNN Eternal Order 24999, etc, you have fewer wars, racists, lunatics, idiots, parasites, crooks, etc. ----- If you have, more gods, persons, creatures, etc installed with English, Russian, Chinese, Arabic, the Stone Age, the Bible, the Quram, lies, stupidity, alcohol, misinformation, etc, you have more wars, racists, lunatics, idiots, parasites, crooks, etc. ----- Do not bother to make peace between Jewish Catholic, Muslims, Arab, Chinese, English, Russian, misinformed, etc, because can not, nor even the creator, sciences, magic, nuclear bombs, blackmail, threats, gifts, etc. Let the apocalypse to make peace between all. ----- Don't bother to take the microchip in the stone age, because can not, nor even the creator of existence. Do not bother to see the truth, love, peace, order, understanding, the creator, the infinite alive invisible body, and the Eternal Order, with the help of the Stone Age, English, Arabic, Bible, Quran, etc, because it is impossible, and for that not even the creator and the infinite alive invisible body can see them. If the truth, eternity, the creator of existence, etc, could be seen, with the help of the Bible, the Quran, seven chakras, etc, the creator of existence communicates to us. Whoever says that he has seen the truth, peace, order, understanding, eternity, the creator, etc with the help of seven chakras, English, Arabic, Bible, Quran, Stone Age, etc, is a liar. Rather, make as the pigs, say nothing, than lies. ---- With the microscope we see bacteria, etc. With the book Eternal Order and the Romanian language we see the creator, love, eternity, infinity, etc. With English, Arabic, Russian, Chinese, the Bible, the Quran, etc, we see racism, wars, death, hell, and the destruction of the solar galaxy. ---- If you want to save yourself from death body soul and intellectual, and if you want to save all gods souls persons etc from death body soul and intellectual, then you must forget all gods gods persons etc who are already dead. The Stone Age has a list of what exists in existence. English has another list of what exists in existence and what will remain. Arabic has another list. Communism has another list. The anatomy has another list. Mathematics has another list. The oligarchs have another list. The victims have another list. The misinformed have another list. The children have another list. Etc have another list. The creator has the list exposed in the supernatural video codes of telekinesis and telepathy SSS666NNN Eternal Order 24999 etc. ----- The creator of existence was guilty of all wars, misunderstandings, scandals, mutilations, etc from all the infinite past space. It was his duty to provide all the information, the tools, the magic, the organs, the manuals, the sciences, etc, to be able to avoid all the wars, misunderstandings, scandals, mutilations, etc from all the infinite past space. He could not offer them, or he did not want, or he himself destroyed them. For the infinite future space, he has other plans. Rebuilding existence if you do not like the Romanian language, the book Eternal Ordin, his name, and the supernatural video codes of telekinesis and telepathy SSS666NNN Etern Ordin 24999 etc. ---- The telepathy of my soul, the creator of creators, the king of kings, the god of gods, the creator of the space time existence microchip intelligence etc, eternally invisible, NMEILIS NMEINIS ESGSEIS. 3252. Cartea Etern Ordin este chiar razboiul si apocalipsa dintre creatorul existentei si toti dusmanii lui. Cartea Etern Ordin este chiar razboiul si apocalipsa dintre creatorul existentei si inventatorii la Biblie, Quran, engleza, araba, rusa, chineza, capitalism, comunism, minciuni, epoca de piatra, moarte, iad, antianatomie, antistiinte, secrete, etc. ---- Zeii vostri, profetii vostri, politicii vostri, magii vostri, preotii vostri, judecatorii vostri, etc, trebuiau sa fie destepti macar cat scrie in cartea Etern Ordin, si codurile video supranaturale de telekinezie si telepatie SSS666NNN Etern Ordin 24999 etc. --- Unii zei suflete persoane creaturi etc, au fost destepti cat scrie in epoca de piatra, altii au fost destepti cat scrie in Biblie sau Quran sau engleza sau araba sau chineza sau cenzura sau dezinformare sau alcol sau gaze sau radiatii sau intuneric sau etc. --- Cine vrea sa fie destept macar 50 la suta ca creatorul existentei trebuie sa citeasca cartea Etern Ordin, si sa vada codurile video supranaturale de telekinezie si telepatie SSS666NNN Etern Ordin 24999 etc. --- Cine vrea sa fie escroc, mincinos, terorist, rasist, si asasin ca diavolii, evele, si persoanele din epoca de piatra, trebuie sa citeasca Biblia Coranul etc. --- Creatorul existentei este vinovat de concurenta neleala. El are adevar, stiinte, magie, Etern Ordin, etc, iar concurentii lui au sabii, pistoale, bombe nucleare, dolari, aur, microfoane, televiziuni, complici, victime, etc. El este invizibil iar ei sunt vizibili. El este singur iar ei sunt sapte miliarde. Astea nu sunt conditii echitabile si egale de concurenta. Eu va sfatuiesc din anul 2011 sa renuntati si sa va convertiti la creatorul existentei si Etern Ordin, altfel este groaza. Am vazut la Cernobil, Hiroshima, Fukushima, Coronavirus, etc. Este asa cum a anuntat el in codurile video supranaturale de telekinezie si telepatie SSS666NNN Etern Ordin 24999 etc. Au trecut zece ani si tot nu renunta. Nu ai poate schimba nimeni planurile de pace unitate dreptate ordine intelegere etc. --- Daca vreti sa absolviti o facultate de medicina, una de drept, una de psihologie, si una de teologie, este mult mai usor decat sa absolviti intelegeti si respectati cartea Etern Ordin. ---- Atotputernicul a renuntat sa mai faca pace, unitate, ordine, intelegere, dreptate, egalitate, iubire, si respect intre zeii sufletele persoanele etc din

galaxia solara. Atotputernicul, creatorul a telecomandat prin telepatie si telekinezie razboaie, dezastre naturale, cutremure, inundatii, etc, a comunicat prin telepatie si magie cartea Etern Ordin si codurile video supranaturale de telekinezie si telepatie SSS666NNN Etern Ordin 24999 etc, a obosit. S-a descurajat. Renunta. Opreste toate razboaiele dezordinea scandalurile neintelegerea etc cu apocalipsa. Creatorul existentei nu are voie sa abadoneze sute de razboaie alfabetice politice religioase economice etc, in galaxia solara pentru alte zece mii de ani. Creatorul existentei nu are voie sa abadoneze in galaxia solara pentru alte zece mii de ani, atatea minciuni, comploturi, secrete, etc. Daca creatorul existentei, vrea sa demonstreze, ca el ne iubeste, ne ajuta, si ne vrea bine, sa ne elibereze de toate minciunile, comploturile, secretele, razboaiele, evele, diavolii, talharii, oligarhii, monstrii, tiranii, asasinii, rasistii etc din tot infinitul trecut spatiu si din tot infinitul viitor spatiu. Imi arata din anul 2011 ca nu poate sa faca o singura limba alfabet religie si politica decat prin apocalipsa. Cu ajutorul la magie, cartea Etern Ordin si codurile video supranaturale de telekinezie si telepatie SSS666NNN Etern Ordin 24999 etc, nu poate. El totdeauna a instalat pe fiecare planeta, o singura limba alfabet religie si politica numai prin apocalipsa. Niciodata nu a reusit sa faca o singura limba alfabet religie si politica, cu ajutorul la magie, cartea Etern Ordin si codurile video supranaturale de telekinezie si telepatie SSS666NNN Etern Ordin 24999 etc. Sunt foarte constient ca in apocalipsa vor muri sapte miliarde de persoane. Este vina lor, din cauza ca nu au vrut sa invete limba romana, numele creatorului existentei, si cartea Etern Ordin. ----- V-au dat minciuni si au spus ca este iubire. V-au dat razboaie si au spus ca este pace. V-au dat dezinformare si au spus ca este totul. V-au dat rugaciuni si v-au luat banii iubirea eternitatea pacea etc. V-au dat apa cu sare Biblie Quran etc si au spus ca este eternitate. V-au dat epoca de piatra si v-au luat epoca microcipului. ----- In epoca microcipului, sunt falsificate in continuare video on-line, legile eternitatii iubirii realitatii egalitatii ordinei intelegerii etc, adevarul, infinitul, creatorul existentei, etc. Nu exista un loc in infinit unde persoanele nu incearca sa falsifice legile eternitatii iubirii realitatii egalitatii ordinei intelegerii etc, adevarul, infinitul, creatorul existentei, etc. Varianta eterna stiintifica video adevarata si reala a legilor eternitatii iubirii realitatii egalitatii ordinei intelegerii etc, adevarului, infinitului, creatorului existentei, etc se afla in cartea Etern Ordin si codurile video supranaturale de telekinezie si telepatie SSS666NNN Etern Ordin 24999 etc. ----- Biblia, Coranul, epoca de piatra, etc, nu au cunoscut microcipul, legile eternitatii intelegerii etc, creatorul existentei, etc, prin urmare nu poate oferi la nimeni ceea ce nu au cunoscut. ---- Creatorul existentei ne-a condus pe toti la microcip, legile eternitatii intelegerii etc, numele lui, etc. Poate sa ia fiecare, cat ai trebuie. ---- Toti zeii sufletele persoanele etc care au spus spun si vor spune minciuni despre creator, infinit, eternitate, pace, iubire, ordine, intelegere, Etern Ordin, etc, au murit, mor si vor muri trup suflet si intelectual. ----- Toti zeii sufletele persoanele etc care nu au spus minciuni despre creator, infinit, eternitate, pace, iubire, ordine, intelegere, Etern Ordin, etc, au fost, sunt, si vor fi vii activi si prezenti sufleteste si intelectual. ----- Cel mai grav pacat din infinit este sa spui minciuni despre creator, infinit, eternitate, pace, iubire, ordine, intelegere, Etern Ordin, etc. Se pedepseste cu iadul sufletului, de la o suta la un milion de ani. --- Telepatia sufletului meu, creatorul creatorilor, regele regilor, dumnezeul dumnezeilor, creatorul timpului spatiului existentei inteligentei microcipului etc, etern invizibil, NMEILIS NMEINIS ESGSEIS. 3252. The book Eternal Order is exactly the war and apocalypse between the creator of existence and all his enemies. The book Eternal Order is exactly the war and apocalypse between the creator of existence and the inventors of the Bible, the Quran, English, Arabic, Russian, Chinese, capitalism, communism, lies, the stone age, death, hell, antianatomy, antiscience, secrets, etc. ---- Your gods, your prophets, your politicians, your magicians, your priests, your judges, etc, should have been, to be smart at least as written in the book Eternal Order, and the supernatural video codes of telekinesis and telepathy SSS666NNN Eternal Order 24999 etc. --- Some gods souls persons creatures etc, have been smart as it is written in the stone age, others have been smart as it is written in the Bible or Quran or English or Arabic or Chinese or censorship or misinformation or alcohol or gas or radiation or darkness or etc . --- Who wants to be smart at least 50 percent of the creator of existence, must read the book Eternal Order, and see the supernatural video codes of telekinesis and telepathy SSS666NNN Eternal Order 24999 etc. --- Who wants to be a crook, a liar, a terrorist, a racist, and an assassin like the devils, the eves, and the persons from stone age, must read the Bible, the Quran, etc. --- The creator of existence is guilty of unfair competition. He has truth, sciences, magic, Eternal Order, etc, and his competitors have swords, pistols, nuclear bombs, dollars, gold, microphones, televisions, accomplices, victims, and so on. He is invisible and they are visible. He is alone and they are seven billion. These are not fair and equal conditions of competition. I advise you from 2011 to give up and convert to the creator of existence and Eternal Order, otherwise it is horror. I have seen at Chernobyl, Hiroshima, Fukushima, Coronavirus, etc. It is as he announced in the supernatural video codes of telekinesis and telepathy SSS666NNN Eternal Order 24999 etc. Ten years have passed and he still doesn't give up. 3255. Fiecare zeu suflet persoana creatura stiinta magie fenomen galaxie etc, este parte din corpul invizibil viu infinit, inteligenta, numele creatorului existentei, si spatiu. ----- Corpul invizibil viu infinit se poate misca in sus sau in jos sau la stanga sau la dreapta cu o viteza de la un km la ora la cinci miliarde de km la ora. La o viteza cinci miliarde de km la ora, toata materia vizibila din interiorul lui se topeste. Mai raman doar sufletele. Stelele si planetele din interiorul corpului invizibil viu infinit, sunt miscate de corpul invizibil viu infinit. Intre timp ce corpul invizibil viu infinit se misca in sus sau in jos sau la stanga sau la dreapta cu viteze de pana la o mie de km la ora, nici un zeu suflet persoana creatura stiinta magie fenomen stea galaxie etc, nu simte nimic. Daca se misca cu o viteze mai mare de o mie de km la ora, incep sa apara cutremure, tunete, miscari periculoase ale stelelor planetelor etc, inundatii, dezastre naturale etc. ----- O sfera reprezinta mapa corpului invizibil viu infinit. In aceasta mapa, spre partea de sus sunt anumite radiatii de telepatie telekinezie magie inteligenta etc. Aceste radiatii de telepatie telekinezie magie inteligenta etc din partea de sus declanseaza intr-o galaxie mai multa inteligenta la toate speciile, epoca microcipului, cartea Etern Ordin, aparitia video a creatorului existentei din codurile video Etern Ordin SSS666NNN 24999 etc, legile eternitatii unitatii egalitatii ordinei intelegerii dreptatii infinitului anatomiei iubirii pacii etc. Galaxia solara este in acest punct din corpul invizibil viu infinit. Cand in galaxia solara se afla in epoca de piatra se afla in corpul invizibil viu infinit in partea de jos. Cand galaxia solara se afla in razboaie, tragedii, etc, se afla in alta zona din corpul invizibil viu infinit. Numai creatorul existentei si corpul invizibil viu infinit, controleaza si misca corpul invizibil viu infinit. ---- Corpul invizibil viu infinit a fost creat de creatorul existentei ILIS INIS GSEIS. Foarte multi zei, sufete, persoane, creaturi, etc au incercat sa ne convinga ca ei sunt creatorii corpului invizibil viu infinit, sau ca corpul invizibil viu infinit nu exista. Demonstratiile video cu corpul invizibil viu infinit si creatorul existentei sunt in codurile video Etern Ordin SSS666NNN 24999 etc. Au fost talharite online de conducatorii din China, Rusia, India, Africa, Europa, America, Africa, Brazilia, CIA, NASA, NATO, ECHR, etc. Din cauza asta galaxia solara poate ajunge intr-o zona din corpul invizibil viu infinit, unde este scris apocalipsa, sau in alta zona unde este scris redistrugerea si refacerea existentei. ----- O mapa ale stelelor si galaxiilor care se afla in alta mapa a corpului invizibil viu infinit. Amandoua mape nu sunt stabile. Stelele si galaxiile din interiorul corpului invizibil viu infinit, isi pot schimba pozitia. Inteligenta si zonele din interiorul corpului invizibil viu infinit isi pot schimba structura sau pozitia. ----- Corpul invizibil viu infinit, se va misca, stelele si galaxiile vor ramane in aceleasi distante si pozitii intre ele si in spatiu, dar in alte pozitii in corpul invizibil viu infinit. Astfel vor aparea noi specii, alte inteligente, alte capacitati, alte tensiuni telepatice magice etc. Nu ma ocup de vise sau minciuni. Sunt existente si explicatii exuse in coduri video. Limbile engleza araba chineza rusa latina etc, sau de Biblie Quran etc, sau de Israel Egipt Islam Vatican etc, sau de mafia Memphis 13 Buda Zen etc, sau etc, au incercat, incearca si vor incerca sa talhareasca, santajeze, cumpere, manipuleze, sau distruga aceste existente si explicatii. Stati cu ochii pe ei. Aceste informatii existente si explicatii, chiar daca sunt expuse digital online. Cea mai mare talharie din infinitul timp si infinitul spatiu, este talharia cartii Etern Ordin. Persoanele si zeii din Italia, Israel, Islam, Egipt, Vatican, America, Rusia, China, India, Africa, Brazilia, etc, vor sa falsifice cartea Etern Ordin. Acestea sunt stiinte demonstratii si existente, nu sunt idei culturi etc. Cartea Etern Ordin a fost, este, si va fi educatia, strada, mapa, etc dupa care se organizeaza creatorul existentei si corpul invizibil viu infinit. Foarte multi zei suflete persoane etc din infinitul timp si infinitul spatiu vor sa afle la ce sunt convertiti creatorul existentei si corpul invizibil viu infinit, si care este educatia, strada, mapa, etc dupa care se organizeaza ei. Renuntati la vise, satana, eve, idioti, rasisti, invidiosi, desene animate, Biblie, Quran, etc, si incepeti sa cunoasteti cititi si intelegeti cartea Etern Ordin, pentru ca sa incepeti sa va cunoasteti viata, existenta, eternitatea, iubirea, pacea, infinitul, etc. Foarte putini zei suflete persoane etc sunt interesati sa isi cunoasca viata, existenta, eternitatea, iubirea, pacea, infinitul, etc. Foarte putini zei suflete persoane etc sunt interesati sa renunte la vise, satana, eve, idioti, rasisti, invidiosi, desene animate, Biblie, Quran, etc. Foarte putini zei suflete persoane etc sunt interesati sa cunoasca corpul invizibil viu infinit. Foarte putini zei suflete persoane etc au inteligenta organele demonstratiile curajul constiinta si simturile sa cunoasca corpul invizibil viu infinit. ---- Cu cat citesti mai multi ani cartea Etern Ordin, cu atat devii mai iubitor, folositor, constient, salvator, superior, inteligent, magic, etc. ---- Cu cat te gandesti mai multi ani la creatorul existentei si corpul invizibil viu infinit, cu atat devii mai iubitor, folositor, constient, salvator, superior, inteligent, magic, etc. ----- Cu cat citesti mai multi ani epoca de piatra, Biblia, Coranul, engleza, chineza, rusa, capitalismul, comunismul, vise, minciuni, etc, cu atat devii mai mincinos, periculos, terorist, orb, mortal, rasist, etc. ---- Am foarte putine resurse instrumente energii timp bani etc sa studiez creatorul

existentei, corpul invizibil viu infinit, cartea Etern Ordin, si codurile video Etern Ordin SSS666NNN 24999 etc. In aceste studii mi-ar trebui un miliard de zei, doua miliarde de magi, sapte miliarde de preoti, opt miliarde de psihologi, zece galaxii, si cinci milioane de ani. Macar ati aflat si voi despre ce este vorba. ---- Cartea Etern Ordin a eliberat desteptat spalat salvat si eternizat adevarul, anatomia, matematica, stiintele, iubirea, eternitatea, infinitul, si toti zeii sufletele persoanele creaturile etc, din tot infinitul trecut spatiu, si din tot infinitul viitor spatiu. ----- Telepatia sufletului meu, creatorul creatorilor, regele regilor, dumnezeul dumnezeilor, creatorul timpului spatiului existentei inteligentei microcipului etc, etern invizibil, NMEILIS NMEINIS ESGSEIS. 3255. Every god soul person creature sciences magic phenomenon galaxy etc, is part of the infinite alive invisible body, intelligence, the name of the creator of existence, and space. ----- The infinite alive invisible body can move up or down or left or right at a speed from one km per hour to five billion km per hour. At a speed of five billion km per hour, all visible matter inside it melts. Only souls remain. The stars and planets inside the infinite alive invisible body are moved by the infinite alive invisible body. While the infinite alive invisible body moves up or down or left or right at speeds of up to a thousand kilometers per hour, nor a god soul person creature science magic phenomenon star galaxy etc, feels nothing. If it moves at a speed of more than a thousand km per hour, begin to appear, earthquakes, thunder, dangerous movements of the stars of the planets etc, floods, natural disasters, etc. ----- A sphere represents the map of the infinite alive invisible body. In this map, towards the top are certain radiations of telepathy, telekinesis, intelligence, magic, etc. These telepathic radiations of telepathy, telekinesis, intelligence, magic, etc, from above triggers in a galaxy more intelligence in all species, the microchip era, the book Eternal Order, the video appearance of the creator of existence from the video codes Eternal Order SSS666NNN 24999 etc, and the laws of the eternity unity equality understanding justice infinity anatomy love peace etc. The solar galaxy is at this point in the infinite alive invisible body. When in the solar galaxy it is in the stone age, it is in the infinite alive invisible body at the bottom. When the solar galaxy is in wars, tragedies, etc, it is in another area from the infinite alive invisible body. Only the creator of existence and the infinite alive invisible body controls and moves the infinite alive invisible body. ---- The infinite alive invisible body was created by the creator of existence ILIS INIS GSEIS. Many gods, souls, persons, creatures, etc, have tried to convince us that they are the creators of the infinite alive invisible body, or that the infinite alive invisible body does not exist. The video demonstrations with the infinite alive invisible body and the creator of existence are in the video codes Eternal Order SSS666NNN 24999 etc. They were robbed online by leaders from China, Russia, India, Africa, Europe, America, Africa, Brazil, CIA, NASA, NATO, ECHR, etc. Because of this, the solar galaxy can reach an area of the infinite alive invisible body, where the apocalypse is written, or another area where the re-destruction and rebuild of existence is written. ----- A map of the stars and galaxies that is inside at another map of the infinite alive invisible body. Both maps are not stable. The stars and galaxies inside the infinite alive invisible body can change their position. Intelligence and the areas inside the infinitely alive invisible body can change their structure or position. ----- The infinite alive invisible body will move, but the stars and galaxies will remain in the same distances and positions between them and in space, but in other positions in the infinite alive invisible body. Thus will appear new species, other intelligences, other abilities, other magical telepathic tensions etc, etc. I don't deal with dreams or lies. There are also explanations exposed in video codes. Languages English Arabic Chinese Russian Latin etc, or Bible Quran etc, or Israel Egypt Islam Vatican etc, or Mafias Memphis 13 Buda Zen etc, or etc, have tried, try, and will try to rob, blackmail, buy, manipulate, or destroy these existences and explanations. Keep an eye on them. This existing informations and explanations, even if they are digitally displayed online. The greatest robbery from infinite time and infinite space is the robbery of the book Eternal Order. The persons and gods from Italy, Israel, Islam, Egypt, Vatican, America, Russia, China, India, Africa, Brazil, etc, want to falsify the book Eternal Order. These are demonstrative and existing sciences, they are not traditions, cultures, ideas, etc. The book Eternal Order was, is, and will be the education, the street, the map, etc, after which the creator of existence and the infinite alive invisible body are organized. Many gods, souls, persons, etc from infinite time and infinite space want to know what the creator of existence and the infinite alive invisible body are converted to, and what is the education, street, map, etc according to which they organize them and all. Give up at dreams, satans, eve, idiots, racists, envious, cartoons, Bible, Quran, etc, and start to know read and understand the book Eternal Order, so that you can begin to know your life, existence, eternity, love, peace, infinity, etc. Very few persons, gods, souls, etc are interested in knowing their life, existence, eternity, love, peace, infinity, etc. Very few persons, gods, souls, etc are interested in giving up at dreams, satans, eves, idiots, racists, envious, cartoons, bible, quran, etc. Very few persons, gods, souls, etc are interested in knowing the infinite alive invisible body. Very few persons, gods, souls, etc. have intelligence organs demonstrations courage consciousness and senses to know the infinite alive invisible body. ---- As much as you read, many years, the book Eternal Order, the more loving, useful, conscious, savior, superior, intelligent, magical, etc you become. ---- As much as you think, many years at the creator of existence and the infinite alive invisible body, the more you become loving, useful, conscious, savior, superior, intelligent, magical, etc. ----- As much

as you read, many years, the Stone Age, the Bible, the Quran, English, Chinese, Russian, capitalism, communism, dreams, lies, etc, the more you become a liar, dangerous, terrorist, blind, deadly, racist, etc. ---- I have very few resources, tools, energy, time, money, etc, to study the creator of existence, the infinite alive invisible body, the book Eternal Order, and the video codes Eternal Order SSS666NNN 24999 etc. In these studies I would need a billion gods, two billion magicians, seven billion priests, eight billion psychologists, ten galaxies, and five million years. Re-inviati si re-incarnati, este ca si cum nu ai trait niciodata in tot infinitul trecut spatiu. Nu mai ai nici o amintire. Toate persoanele pot programa de cate ori vor ele, sa re-invie, re-incarneze, re-instaleze, re-dezincarneze, si re-moara in infinitul viitor spatiu. In primul rand nu trebuie sa crezi in cartea Etern Ordin si creatorul existentei. Apoi iti scrii pe o foaie, etc, peste cat timp vrei sa te re-incarnezi. Sa calculezi si timpul in care stai in iad cu sufletul, plus zece ani de moarte a sufletului. Distanza dintre re-moartea sufletului si re-invierea sufletului este de zece ani. Re-incarnarea nu o poti programa peste un milion de ani. Re-incarnarea se poate programa dupa o zi de la re-inviere si pana la un milion de ani. Re-resurrection and re-incarnation, it's as if you've never lived in all the infinite past space. You have no memory. All persons can program as many times as they want, to re-resurrect, re-incarnate, re-install, re-disincarnate, and re-die in the infinite future space. First of all, they don't must to believe in the book Eternal Order and the creator of existence. Then they must to write on a piece of paper, etc, over how long they want to re-incarnate. Calculate the time you spend in hell with your soul, plus ten years of soul death. The distance between the re-death of the soul and the re-resurrection of the soul is ten years. You can't program reincarnation in a million years. Re-incarnation can be scheduled after one day, after re-resurrection of the soul, and up to a million years. It is chosen by the possessor of the soul, from past, or it is automatic, in order at the last re-death. Re-disincarnation can be programmed through suicide, and in this way you can safely go to hell and re-death. The original and natural re-disincarnation is programmed by time, space, age, work, diseases, weights, food, stress, education, friends, enemies, etc. Forced re-disincarnation, carried out by devils, satans, eves, mafia Memphis, mafia 13, mafias seven chakras, fascists, communists, capitalists, etc, is done through gold, money, oil, business, competition, wars, terrorism, poisons, telepathy, curses, spells, etc. Those responsible for forced re-disincarnation will have their souls teleported in hell for automatic punishment, re-death, and re-resurrection. Justice has always existed for all, and has been received by their souls. ---- The telepathy of my soul, the creator of creators, the king of kings, the god of gods, the creator of time and space of the existence of the intelligence of the microchip, etc., eternally invisible, NMEILIS NMEINIS ESGSEIS A happy and warm S666N. Corpul invizibil viu infinit si creatorul existentei, si-au demonstrat existenta, calitatile, planurile, inteligenta, etc, in codurile video de telekinezie si telepatie Etern Ordin SSS666NNN 24999. La inceput prin anii 2008, 2009, etc, am crezut ca este o gluma, sau un truc sau secret organizat de mafia Memphis, sau mafia 13, sau sectele glanda pineala telepatie, sau puterile corpului meu fizic. In anul 2021 am fost din nou convins video, de codul video 24999, ca nu sunt competeNte posibilitati energii si calitati ale corpului uman, mafia Memphis, sau mafia 13, sau sectele glanda pineala telepatie. Daca ar fi posibilitati informatii si cunostinte efectuate de mafia Memphis, sau mafia 13, sau sectele glanda pineala telepatie, atunci acestia ar repeta codurile video de telekinezie si telepatie Etern Ordin SSS666NNN 24999, cu oricare persoana dintre voi, exact in acelasi fel in care au fost efectuate cu mine. Singur intr-un apartament. Nu am avut prezente fizice la realizarea acestor coduri. Aceste coduri sunt proprietatea creatorului existentei si corpului invizibil viu infinit. Aceste coduri au anuntat apocalipsa. Exact ca Fukushima, Coronavirus, L'Aquila, trei taieturi in calcaiul piciorului drept, trei maleOle rupte la gLeZna piciorului stang, zgarietura din coasta dreapta, lovitura craniului partea stanga, taietura de la ochiul stang, etc. Semne de apocalipsa si exterminarea la sapte miliarde de persoane, pentru ca nu au vrut sa invete legile eternitatii, iubirii, realitatii, ordinei, intelegerii, pacii, unitatii, egalitatii, libertatii, si infinitului, cartea Etern Ordin, limba romana, numele creatorului existentei, corpul invizibil viu infinit, si codurile video de telekinezie si telepatie Etern Ordin SSS666NNN 24999. ----

Invitati toti adultii de pe planeta Pamant sa efectueze codul video “Redistrugerea si refacerea existentei”. Cred ca este interesul la fiecare dintre ei si voi, sa vada daca este adevarat mesajul 24999, SSS666NNN, Etern Ordin, etc. Ce rost are sa vaccinam sapte miliarde de persoane anti Coronavirus, daca redistrugerea si refacerea existentei este aproape? Este foarte posibil ca nu toti au posibilitatea sa aiba aceleasi rezultate si raspunsuri. Este foarte posibil ca si corpul meu este divers de corpul vostru. Probabil corpul meu, mai are niste energii si calitati in plus, de care nici macar eu nu stiu ce sa va scriu si explic. Dar daca si alta persoana, din cei patru miliarde de adulti, reuseste sa ajunga la rezultatul 24999, atunci este vorba doar de creatorul existentei si corpul invizibil viu infinit. Atunci corpul uman are o valoare foarte mica, in realizarea codului 24999 “Redistrugerea si refacerea existentei”. Putem evita “Redistrugerea si refacerea existentei”! Da. Mai avem timp. Convertiti-va urbent la limba romana, cartea Etern Ordin, si numele creatorului existentei, asa cum sunteti obligati din anul 2011, de creatorul existentei, cu Fukushima, Coronavirus, legile eternitatii, iubirii, realitatii, ordinei, intelegerii, pacii, unitatii, egalitatii, libertatii, si infinitului, cartea Etern Ordin, si codurile video de telekinezie si telepatie Etern Ordin SSS666NNN 24999. Heel? Hell and HeEL are similar in English. It's L H is LL. Signs of apocalypse and extermination of seven billions persons, because they did not want to learn the laws of the eternity, love, reality, order, understanding, peace, unity, equality, freedom, and infinity, the book Eternal Order, Romanian language, the name of the creator of existence, the infinite alive invisible body, and the video codes of telekinesis and telepathy Eternal Order SSS666NNN 24999. ---- The infinite alive invisible body, the creator of existence, telepathy, telekinesis, gematry, numerology, mathematics, Excel, magic, video camera, tarot cards, numbers, and the alphabet, can be used in medicine, physics, chemistry, magic, etc, for to discover formulas, drugs, weapons, technologies, miracles, healings, energies, secrets, answers, etc, just like the demonstrations from the video codes of telekinesis and telepathy Eternal Order SSS666NNN 24999. The tarot for the discovery of a treatment must have only books inspired by drugs, substances, quantities, etc. The tarot for discovering a weapon must have only cards inspired by energies, substances, quantities, etc. The tarot for the discovery of magic must have only cards inspired by energies, substances, quantities, etc. The tarot for discovering a formula of type mathematics, chemistry, physics, etc, must have only books inspired by energies, substances, quantities, etc. ---- Video formula SSS666NNN, 3816, 816, 707, 777, video formula Eternal Order, video formula 666, video formula 24999, etc, have surpassed the imagination, studies and knowledge, at all scientists, mathematicians, teachers, gods, persons, souls, etc, from all the infinite past space, and from all the infinite future space. These codes have been stolen, online video, by leaders from Italy, Vatican, Israel, Islam, Egypt, America, Russia, China, India, Africa, Europe, Brazil, Australia, etc. They robbed the rescue from the apocalypse, and from secret wars lies unknown misinformation waiting etc. --- The tarot "Re-destruction and rebuilding of the existence" can be repeated by several paranormal enthusiasts on planet Earth at the same time, or at different times to see if at least one of them approaches the result 24999. Invite all adults on the planet Earth to perform the video code " Re-destruction and rebuilding of the existence". I think it is in the interest of each of them and you, to see if the message 24999, SSS666NNN, Eternal Order, etc, is true. What's the point of vaccinating seven billions persons against Coronavirus, if the re-destruction and rebuilding of the existence is near? It is very possible that not everyone has the opportunity to have the same results and answers. It is very possible that my body is different from your body. Probably my body has some extra energies and qualities, which I don't even know what to write about and explain. But if another person, out of the four billion adults, manages to reach the result 24999, then it is only the creator of existence and the infinite living invisible body. Then the human body has a very small value, in the realization of the code 24999 " Re-destruction and rebuilding of the existence ". We can avoid " Re-destruction and rebuilding of the existence "! Yes. We still have time. Urgently convert all of you, to Romanian language, the book Eternal Order, and the name of the creator of existence, as you are forced since 2011, by the creator of existence, with Fukushima, Coronavirus, the laws of the eternity, love, reality, order, understanding, peace, unity, equality, freedom, and infinity, the book Eternal Order, and the video codes of telekinesis and telepathy Eternal Order SSS666NNN 24999 etc. The murder of seven billions persons in the apocalypse is not a game, it is not a culture, it is not a tradition. The most important creatures from infinity are the creator of existence, and the invisible body alive infinitely. Without these creatures there would be no intelligence, galaxies, gods, persons, souls, etc. ----- Nobody can not clone space, existence, 24999, SSS666NNN, Eternal Order, the creator of existence, and the infinite living invisible body. Not even the creator of existence. He can restore from scratch, the space, existence, 24999, SSS666NNN, Eternal Order, and the infinite living invisible body. Cannot clone him. La inceput, in anul 2000, am crezut ca sunt atacat, doar de niste afaceristi mafioti si talhari. De persoanele care mi-au dat firmele fantoma cu datorii la stat, pentru a ma controla economic social etc, si eventual si pentru santaj stres etc. Am declarat la tribunalele partidele bisericile ziarele televiziunile etc din Italia astfel de experimente, asasinari, amenintari, mutilari, talharii, etc, dar au fost toate ascunse. M-am riscat, si m-am oprit sa mananc la restaurant...

M-am riscat, si m-am oprit sa mananc la restaurantul cu cazarea. Tot grupul a fost invitat. Mi-au dat masa de langa usa. A adus farfuriile pentru masa noastra. Persoanele anti minciuni, anti secrete, anti dezinformare, anti etc in Italia sunt drogate, sau otravite, sau imbolnavite psihic, sau cancerizate, sau amenintate, sau intimidate, sau santajate, sau epuizate, sau platite, sau mutilate, sau omorate. Eu inca nu am fost despagubit, si inca nu m-au omorat. Vor sa ma invinga cu boli probleme epuizare telepatie si droguri. Nimeni nu ma poate invinge nici macar dupa moartea mea. Am in mana numele creatorului, cartea Etern Ordin, si codurile video Etern Ordin SSS666NNN 24999 etc. Politicii preotii politistii psihologii magii judecatorii etc din Italia, au impresia ca daca ma drogheaza sau gazeaza imi pierd controlul si ma umplu cu infractiuni. O persoana umpluta cu infractiuni nu poate fi defaimata sau inlocuita daca are de la creator cartea Etern Ordin, codurile video Etern Ordin SSS666NNN 24999 etc. Cum de a fost abandonata o persoana asa de importanta in adevar, pace, stiinte, politica, religie, etc? Pentru a putea fi drogata, amenintata, epuizata, santajata, controlata, intimidata, talharita, etc. Nu au reusit din anul 2011. Vor sa imi scoata creierul din cap, si sa ma converteasca la epoca de piatra, sau Biblie, sau Quran, sau Maria, sau Isus Hristos, sau anul 2000, sau latina, sau araba, sau engleza, sau razboaie, sau etc, desi au vazut ca creatorul existentei, anatomia stiintele, infinitul, magia, iubirea, pacea, etc, nu le da voie. ---- Desi stiu ca dracii, diavolii, si escrocii din Italia, si Izrael vor sa ma omoare de doua mii de ani, pentru ca nu sunt de accord cu minciunile, razboaiele, comploturile, propaganda, asasinarile, talhariile, rugaciunile, ritualurile de crima si canibalism, si secretele lor. Stiintele, anatomia, infinitul, magia, creatorul, etc, nu sunt de accord cu politica religia propaganda si planurile lui Italia, Izrael, Islam, Vatican, Egipt, etc. ------ Spectacolul de aici, din prima zi, a fost anti magie, anti adevar, anti informatie. A doua zi, a fost pregatita, cu o plimbare pe o strada prin padure, cu rugaciuni, Maria, ritualuri de crima si canibalism, cruci, persoane spanzurate si omorate in chiloti pe litera t, glume ieftine sau sexuale, si cateva explicatii despre terenul plantele si animalele din zona. Am cazut in capcana. Au pregatit aceasta oferta turistica sa imi insele copil, si sa al sperie cu aceste obiecte de groaza tortura umilinta si nebunie. Mi se intoarce de la stomac. Ori e pasta de la restaurant, ori chiar sunt aceste obiecte construite de diavoli. Au vorbit de un miracol. O aluvione. O femeie salvata. Diavolii fac doua miracole glanda pineala, si inseala mutileaza si omoara trup suflet si intelectual trilioane de zei suflete persoane etc. Diavolii fac miracole glanda pineala si in Biblie, si in Quran, si in etc, si primesc salarii si pensii, de sute de mii de euro, castele, titluri de sfinti, etc, dar de la creator primesc iadul. Terorism, inselaciune, minciuni, anti stiinte, anti creator, si dezinformare, organizate de mafiile glanda pineala. Astea sunt miracolele lor, explicate de stiinte, creator, iubire, adevar, dreptate, anatomie, infinit, Etern Ordin, 24999, etc.

3294. Creatorul existentei a fost sfant, inteligent, magic, informat, folositor, invizibil, prezent, constient, interesat, si etern, fiecare milimetru din infinitul spatiu si fiecare secunda din infinitul timp. Si va fi, fiecare milimetru din infinitul spatiu si fiecare secunda din infinitul timp. ----- Creatorul existentei nu a fost pacatos, idiot, dezinformat, daunator, vizibil, absent, inconstient, dezinteresat, englez, arab, musulman, catolic, evreu, ateu, fascist, capitalist, comunist, rus, chinez, si mortal, nici un milimetru din infinitul spatiu si nici o secunda din infinitul timp. Si nu va fi nici un milimetru din infinitul spatiu si nici o secunda din infinitul timp. ----- Persoanele sunt bebelusi, copii, si batrani, cu totii, in mod automat. Aparte daca nu mor la nastere, sau in copilarie. Sfinte sunt numai persoanele care nu se roaga, care nu fac ritualuri de crima si canibalism, si care cunosc si respecta adevarul, iubirea, eternitatea, codurile video Etern Ordin, SSS666NNN, 24999, etc, creatorul existentei, corpul invizibil viu infinit, si legile eternitatii pacii iubirii ordinei intelegerii realitatii infinitului anatomiei stiintelor etc. Nu m-am nascut sfant. Sunt sfant cand citesc sau scriu despre adevar, realitate, infinit, iubire, ordine, intelegere, unitate, egalitate, dreptate, pace, Etern Ordin, anatomie, matematica, stiinte, tehnologie, creatorul existentei, corpul invizibil viu infinit, etc. Sunt sfant cand atac minciunile, rugaciunile, ritualurile de crima si canibalism, secretele, cenzura, dezinformarea, neintelegerea, Biblia, Coranul, epoca de piatra, araba, engleza, rusa, chineza, ateii, capitalismul, comunismul, mincinosii, diavolii, moartea, etc. Sunt diavol cand citesc sau particip la minciuni, secrete, dezinformare, antianatomie, antistiinte, talharii de studii stiinte resurse profit persoane etc din trecut prezent si viitor, scandaluri, razboaie, comploturi, Biblie, Quran, etc. Am fost mai mult sfant decat diavol. Copiii si persoanele care se joaca cu minciuni sunt diavoli. Persoanele cand consuma alcol sunt diavoli. Persoanele cand dorm, sunt sfinte. Persoanele care apara numele creatorului existentei, si cartea Etern Ordin, sunt sfinte. Persoanele care ataca numele creatorului existentei, si cartea Etern Ordin, sunt diavoli. ----- Unele persoane au impresia ca devin sfinte, daca se castreaza, sau daca mananca putin si beau numai apa, sau daca citesc carti cu minciuni imposibil inexistent antianatomie antistiinte etc, sau daca se roaga la lemne si tablouri in schimbul

la salarii pensii aur castele etc, sau daca au dat jumatate din talharii inapoi la societate, sau daca se sinucid pentru minciuni epoca de piatra etc, sau daca nu invata copiii persoanele zeii etc cartea Etern Ordin, sau daca intoxica copiii si persoanele cu oligarhi canibali vampiri pedofili paraziti teroristi rasisti nebuni mincinosi gazati drogati dezinformati razboaie comploturi etc. ------ Definitia de sfant facuta de creatorul existentei, anatomie, stiinte, eternitate, si adevar, este diversa de definitia de sfant facuta de diavoli, sau persoanele din epoca de piatra, sau mafiile sapte chakre, sau englezi, sau evrei, sau rusi, sau etc. ----- Au fost toti zeii sufletele persoanele si creaturile din tot infinitul trecut spatiu si din tot infinitul viitor spatiu, in epoca de piatra, in minciuni, in razboaie, in apocalipse, in latina, in engleza, in araba, in rusa, in chineza, in Israel, in Romania, in galaxia solara, in anul 2000, la inceputul infinitului trecut spatiu, la sfarsitul infinitului viitor spatiu, iaduri, moarte, etc. Mai trebuie sa vina in adevar, iubire, eternitate, codurile video Etern Ordin, SSS666NNN, 24999, etc, si legile eternitatii pacii iubirii ordinei intelegerii realitatii infinitului anatomiei stiintelor etc, si la creatorul existentei, si corpul invizibil viu infinit. ----- Ma duc in anul 2000 sa traiesc cinci milioane de ani. Nu se poate. Ma duc in Biblie, sau Quran, sau engleza, sau Israel, sau etc, sa traiesc zece milioane de ani. Nu se poate. Ma duc in cartea Etern Ordin, sa traiesc langa creatorul existentei, tot infinitul trecut spatiu si tot infinitul viitor spatiu. Se poate. Daca traieste creatorul existentei, pot trai si eu. ------ M-am uitat la pozele mele de la un an pana acum, sa aleg forma in care sa imi traiesc eternitatea sau sa fiu inviat din morti, in anul un milion dupa mine. Si bunicii, si tata, si mama, si rudele, si copilul, si toate persoanele, sa fim inviati din morti, in alta galaxie, dupa un milion de ani, cu un corp si inteligenta de la o varsta de 20 ani. Pentru un miliard de ani. Resurse, haine, case, etc, pentru supravietuire de unde? Forma mea cu care imi traiesc eternitatea este invizibila, inteligenta, vie, si prezenta permanent. Nu are rost sa schimb aceasta forma eterna invizibila gratuita si perfecta, cu o forma plina de pericole, probleme, necesitati, limite, lipsuri, etc. Puteti avea si voi eternitatea pe care o am eu. Nu exista alta forma de eternitate decat eternitatea NMEILIS NMEINIS ESGSEIS. Avem demonstratii in anul 2000, in anatomie, in infinit, in adevar, si in codurile video Etern Ordin, SSS666NNN, 24999, etc. Minciunile ca exista eternitatea corpului in anul 2000, sau daca te rogi la lemne, sau daca etc, te lasa fara eternitatea reala. ----- Creatorul existentei, adevarul, iubirea, logica, dreptatea, stiintele, Etern Ordin, moartea, iadul, si eternitatea, au existat exista si vor exista dar nu poate salva persoanele de oligarhi, talhari, canibali, vampiri, paraziti, nebuni, idioti, escroci, rasisti, asasini, atei, diavoli, satane, eve, minciuni, engleza, araba, Biblie, Quran, chineza, rusa, dezinformare, dezinteres, etc, din cauza la dezinformare, minciuni, dezinteres, Biblie, Quran, diavoli, satane, idioti, etc. ----- Minciunile, engleza, araba, Biblia, Coranul, chineza, rusa, dezinformarea, dezinteresul, alcolul, drogurile, gazele, etc, au fost construite de diavoli eve idioti si escroci, pentru ca sa umple infinitul timp si infinitul spatiu de oligarhi, talhari, canibali, vampiri, paraziti, nebuni, idioti, escroci, rasisti, asasini, atei, diavoli, satane, eve, minciuni, engleza, araba, Biblie, Quran, chineza, rusa, dezinformare, dezinteres, etc. Singura solutie pentru a curata existenta si infinitul de aceste comploturi, razboaie, iaduri, scandaluri si minciuni, este re-distrugerea si refacerea existentei. A anuntat creatorul existentei. ----- Cand o sa dispara din nou din existenta, videocamera, stiintele, si cartea Etern Ordin, o sa dispara din nou in invizibil, eternitatea, pacea, adevarul, creatorul existentei, etc. ----- Telepatia sufletului meu, creatorul creatorilor, regele regilor, dumnezeul dumnezeilor, creatorul timpului spatiului existentei inteligentei microcipului etc, etern invizibil, NMEILIS NMEINIS ESGSEIS. 3294. The creator of existence has been holy, intelligent, magical, informed, useful, invisible, present, conscious, interested, and eternal, every millimeter from infinite space and every second from infinite time. And he will be, every millimeter from infinite space and every second from infinite time. ----- The creator of existence has not been, sinful, idiot, misinformed, harmful, visible, absent, unconscious, disinterested, English, Arab, Muslim, Catholic, Jewish, atheist, fascist, capitalist, communist, Russian, Chinese, and mortal, not a millimeter from infinite space and not a second from infinite time. And he will not be, nor a millimeter from infinite space and nor a second from infinite time. ----- All persons are babies, children, and the elderly, automatically. Except if they don't die at birth or in childhood. Holy are only those who do not pray, who do not perform rituals of crime and cannibalism, and who know and respect the truth, love, eternity, the video codes Eternal Order, SSS666NNN, 24999, etc, the creator of existence, the infinite living invisible body, and the laws of the eternity peace love order understanding reality infinity anatomy sciences etc. I was not born a saint. I am saint when I write about truth, reality, infinity, love, order, understanding, unity, equality, justice, peace, Eternal Order, anatomy, mathematics, sciences, technology, the creator of existence, the infinite living invisible body, etc. I am saint when I attack the lies, prayers, murder and cannibalism rituals, secrets, censorship, misinformation, misunderstanding, the Bible, the Quran, the Stone Age, Arabic, English, Russian, Chinese, atheists, capitalism, communism, liars, devils, etc. I am a devil when I read or participate at lies, secrets, misinformation, antianatomy, antisciences, robbers by sciences studies resources profit persons etc from the past present and future, scandals, wars, conspiracies, the Bible, the Quran, etc. I was more saint than the devil. Children and persons, who play with lies are devils. The persons, when they drink alcohol, are devils. The persons when they sleep, are saints. The persons who defend the name of the creator of existence, and the book Eternal Order, are saints. The persons who attack

the name of the creator of existence, and the book Eternal Order, are devils. ----- Some persons have the impression that they become saints, if they castrate themselves, or if they eat little and drink only water, or if they read books with impossible lies non-existent antianatomy antisciences etc, or if they pray at wood and paintings in exchange for salaries pensions gold castles etc, or if they gave half of the robbers back to society, or if they commit suicide for lies stone age etc, or if they do not teach children persons gods etc, the book Eternal Order, or if they intoxicate children and persons with cannibals vampires oligarchs pedophiles parasites terrorists racists crazy liars gassed drug addicts misinformed wars plots etc. ------ The definition of a saint made by the creator of existence, anatomy, sciences, eternity, and truth, is different from the definition of a saint made by devils, or persons from the Stone Age, or seven chakra mafias, or English, or Jews, or Russians, or etc. ----- All gods, souls, persons, and creatures from all infinite past space and all infinite future space, have been in the Stone Age, in lies, in wars, in the apocalypse, in Latin, in English, in Arabic, in Russian, in Chinese, in Israel, in Romania, in the galaxy solar, in the year 2000, at the beginning of the infinite past space, at the end of the infinite future space, hells, death, etc. There must also come in truth, love, eternity, the video codes Eternal Order SSS666NNN 24999 etc, and the laws of the eternity, peace, love, order, understanding, infinite, reality, anatomy, sciences, etc, and at the creator of existence, and the infinite living invisible body. ----- I'm going to live five million years in year 2000. It's not possible. I go in the Bible, or the Quran, or the English, or Israel, or etc, to live ten million years. It's not possible. I go to the book Eternal Order, to live next to the creator of existence, all the infinite past space and all the infinite future space. It's possible. If the creator of existence lives, I can live too. ------ I looked at my pictures from a year until now, to choose the form in which to live my eternity or to be resurrected from the dead, in the year one million after me. And grandparents, and father, and mother, and relatives, and child, and all persons, to be resurrected from the dead, in another galaxy, after a million years, with a body and intelligence from the age of 20. For a billion years. Resources, clothes, houses, etc, for survival from where? My form with which I live my eternity is invisible, intelligent, alive, and permanently present. There is no point in changing this form by eternity, free perfect and invisible, with a form full of dangers, problems, needs, limits, shortcomings, etc. You can have the eternity that I have. There is no other form of eternity, than eternity NMEILIS NMEINIS ESGSEIS. We have demonstrations in the year 2000, in anatomy, in infinity, in truth, and in the video codes Eternal Order, SSS666NNN, 24999, etc. Lies that there is the eternity of the body in the year 2000, or if you pray at wood, or if etc, it leaves you without real eternity. ----- The Creator of existence, truth, love, logic, justice, sciences, Eternal Order, death, hell, and eternity, have existed, exist, and will exist, but cannot save the persons, by oligarchs, robbers, cannibals, vampires, parasites, crazy, idiots, crooks, racists, assassins, atheists, devils, satans, eves, lies, english, arabic, bible, quran, chinese, russian, misinformation, disinterest, etc, due to misinformation, lies, disinterest, bible, quran, devils, satans, idiots, etc. ----- Lies, English, Arabic, Bible, Quran, Chinese, Russian, misinformation, disinterest, alcohol, drugs, gas, etc, have been built by idiots and crooks, to fill infinite time and infinite space with oligarchs, robbers, cannibals, vampires, parasites, lunatics, idiots, crooks, racists, assassins, atheists, devils, satans, eves, lies, English, Arabic, Bible, Quran, Chinese, Russian, misinformation, disinterest, etc. The only solution to cleanse existence and infinity from these plots, wars, hells, scandals and lies, is to re-destroy and rebuild existence. The creator of existence has announced. ----- When it disappears again from existence, the video camera, the sciences, and the book Eternal Order, it will disappear again into the invisible, the eternity, peace, truth, the creator of existence, etc. ----- The telepathy of my soul, the creator of creators, the king of kings, the god of gods, the creator of the space time existence intelligence microchip etc, eternally invisible, NMEILIS NMEINIS ESGSEIS. They are intoxicated and sick with lies, censorship, misinformation, secrets, unknown, alcohol, gas, English, Arabic, Chinese, Russian, Bible, Quran, prayers, rituals of murder and cannibalism, etc. The only treatment is the book Eternal Order, the name of the creator of existence and the video appearance of the creator. ----- English, Arabic, Chinese, Russian, Bible, Quran, 2000, Israel, Islam, Italy, Egypt, Vatican, etc, are very serious diseases for persons gods time space existence and intelligence, because they do not have inside them, the book Eternal Order, the name of the creator of existence and the video appearance of the creator, and because of this they kill body soul and intellectual all the gods and persons around them. The solution? Their conversion to Romanian, the name of the creator, and the Eternal Order. ----- The most terrible case of injustice, deception, robbery, mutilation and threat from all the infinite past space and all the infinite future space, is my case, and was exposed in the book Eternal Order. 3300. Even if I want to mix the creator of existence, the infinite living invisible body, the video codes Eternal Order SSS666NNN 24999 etc, the eternity infinite past space and infinite future space, and the laws of the eternity peace love order understanding infinite reality anatomy sciences etc, with Allah, Ra, Jehovah, Baphomet, Lucifer, Adam, Eve, Mary, Jesus Christ, etc, I have no chance. ----- Do not insult and steal the creator of existence, the infinite living invisible body, the video codes Eternal Order SSS666NNN 24999 etc, the eternity infinite past space and infinite future space, and the laws of the eternity peace love order understanding reality infinity science anatomy etc, because it will kill everyone, even with the galaxy. They themselves announced in paranormal video codes, to be as convincing as possible, with all the psychologists, politicians, priests, magicians, etc., on planet Earth. They also gave examples in Hiroshima, Chernobyl, Fukushima, Coronavirus, etc. I have no chance to negotiate with them. ----- The creator of existence and the infinite living invisible body exist, and we also have video evidence, which cannot be disputed denied stolen hidden cloned or falsified by psychologists, politicians, priests, magicians, etc., from planet Earth. All you have to do is sing a new song to all the gods, psychologists, politicians, priests, magicians, etc., on planet Earth. We are fools, racists, devils, and crooks and cannot clone, steal, destroy, or study the creator of existence, the infinite living invisible body, the Eternal Order video codes SSS666NNN 24999 etc, eternity infinite past space and infinite future space, and the laws of eternity peace of love the order of understanding the reality of the infinity of the anatomy of sciences, etc. This phrase is true, and is inspired by real facts recorded on video. What psychologists, politicians, priests, magicians, etc., on planet Earth, can clone the video codes Etern Order SSS666NNN 24999 etc? No one. Ten years have passed, and no magician, god, psychologist, philosopher, priest, politician, king, etc., on planet Earth has been able to clone the video codes Eternal Order SSS666NNN 24999 etc. The content of these codes is terrible. Extermination of all anti-Eternal Order. Extermination of the solar galaxy. Redistribution and restoration of existence. Who are the robbers of blasphemy and terrorists of the video codes Etern Order SSS666NNN 24999 etc? Psychologists, priests, politicians, police officers, doctors, etc. from Italy, Israel, Islam, Egypt, the Vatican, etc. They attacked, robbed, desecrated and hidden online video, Etern Order SSS666NNN 24999 video codes, etc. In this way, they were blamed and responsible for the Fukushima disaster, Coronavirus, World War III, and the apocalypse. These fools disguised as psychologists, priests, political magicians, etc., have robbed and profaned online video the creator of existence and the invisible body alive infinitely by the video codes Etern Order SSS666NNN 24999 etc. Thus they launched Fukushima, Coronavirus, etc. Because of psychologists, priests, magicians, politicians, gods, etc., who deny, desecrate or replace the creator of existence, the infinite living invisible body, the Eternal Order video codes SSS666NNN 24999 etc., the eternity of the infinite past space and the infinite future space, and the laws of eternity of peace love of the order of understanding the reality of the infinity of the anatomy of the sciences, etc., the First World War, the Second World War, Hiroshima, Chernobyl, Fukushima, Coronavirus, etc. took place. ----- Because of psychologists, priests, magicians, politicians, gods, etc., who deny, desecrate or replace the creator of existence, the infinite living invisible body, the Eternal Order video codes SSS666NNN 24999 etc, eternity infinite past space and infinite future space, and the laws of eternity, peace, love, order, understanding of the infinite reality of the anatomy of science, etc., have been terrorized, mutilated, deceived, and murdered body soul and intellect all gods gods souls persons etc from all infinite past space. The same situation can be repeated in the infinite future space. ------ World War III, the apocalypse, and the destruction and restoration of existence, will take place, due to psychologists, priests, magicians, politicians, gods, etc., who deny, desecrate or replace the creator of existence, the invisible invisible body infinity, the video codes Etern Order SSS666NNN 24999 etc, the eternity of the infinite past space and the infinite future space, and the laws of eternity peace of love order the understanding of the reality of the infinity of the anatomy of sciences etc. ----- The human body has a temporary value. That's how it was created. To help souls learn what pain, anatomy,

mathematics, love, science, magic, the Eternal Order, the creator of existence, the infinitely living invisible body, order, understanding, etc. mean. Don't expect to see the same body after hundreds of years, or thousands of years because it is impossible. The eternity of the human body is the soul. The entry of the soul into the body takes place on the first day of birth. The exit of the soul from the body takes place on the last day of the life of the body. There is nothing more to specify and know about the human body in each of you. Teleporting or restoring my body, at the age of ten, a million years before me, or ten billion years after me in another galaxy, are child's play, a waste of time. It's not necessary. My body had to be here and now, to expose the creator of existence, the infinite living invisible body, the truth, the video codes Etern Ordin SSS666NNN 24999 etc, the book Etern Ordin, etc. ----- The return of your souls from hell, and from the dead, takes place automatically. After automatic resurrection. The re-entry and emergence of your souls from human bodies is infinite. The truly installed souls, the book Eternal Order, and the name of the creator never end up in hell and never die again. Thus they retain their information, and will not enter any human body to be reinstalled. It is possible that my body has only the soul of the creator of existence, or that it has a soul like all human bodies. It is possible that the creator is like infinite living souls and invisible bodies. ----- The creator of existence and the infinite living invisible body have been demonstrated in video. My opinion or yours does not matter, and it is not necessary. There are and will be devils, satans, eves, psychologists, priests, magicians, judges, politicians, kings, gods, etc., who will struggle to prove to you that there is no creator of existence and infinite living invisible body, and that Etern Order video codes SSS666NNN 24999 etc, the robots of the gods and their magicians can be cloned by intelligence. Phenomena such as the rotation of the solar galaxy, Fukushima, Coronavirus, and the video codes Etern Order SSS666NNN 24999 etc., can be created only by the creator of existence or the infinite living invisible body. ------ Psychologists priests of the gods etc, who do not understand the video codes Eternal Order SSS666NNN 24999 etc, the creator of existence and the infinite living invisible body, commit suicide soul and intellectual body and kill body soul and intellectual all patients friends and relatives. Including those who read their books. Attempts to kill soul, body and soul are made when you are hidden by the video codes Eternal Order SSS666NNN 24999 etc, the creator of existence and the infinite invisible living body. Assassination of the body, soul and intellect can be done through misinformation, gas, radiation, psychotropic drugs, alcohol, drugs, disinterest, disease, infections, threats, blackmail, etc. Who does not help you learn the video codes Etern Order SSS666NNN 24999 etc, the creator of existence and the infinite living invisible body, kills you body soul and intellectual. Who does not let you learn the video codes Etern Order SSS666NNN 24999 etc, the creator of existence and the infinite living invisible body, kills you body soul and intellectual. Whoever forces you to consume psychotropic drugs, alcohol, drugs, gas, radiation, etc., kills your body, soul and intellect. Whoever forces you to know the stone age, lies, impossible, non-existent, ideas, illusions, etc., kills your body, soul and intellect. ----- I have a daily portion of truth, magic, eternity, reality, paranormal, love, etc. that I take from the book Etern Order, and the video codes Etern Order SSS666NNN 24999 etc. ----- You have the right to commit suicide body and soul and go through hell billions of times. The reincarnation of the soul, the entry of the soul into the human body. Reincarnation of the human body is impossible. You can commit suicide body soul and intellectual with the help of psychotropic drugs, alcohol, drugs, waiting, misinformation, disinterest, secrets, seven chakras, telepathy, unknown, impossible, non-existent, cartoons, English, Arabic, Russian, Chinese, Bible, Quran, Allah, Ra, Jehovah, Adam, Eve, Mary, Jesus Christ, the year 2000, Israel, envy, etc. ---- You can save yourself from suicide body soul and intellectual only with the help of the video codes Etern Order SSS666NNN 24999 etc, the book Etern Order, the creator of existence and the infinite living invisible body. ----- The telepathy of my soul, the creator of creators, the king of kings, the god of gods, the creator of the space-time of the existence of the intelligence of the microchip, etc., eternally invisible, NMEILIS NMEINIS ESGSEIS. Alti doctori sunt teleghidati prin telepatie fara ca ei sa fie constienti cine gandeste in locul lor. V-au mai spus si altii ce mutilari, asasinari, santajuri, blasfemii, boli, accidente, scandaluri si razboaie pot fi telecomandate prin telepatie glanda pineala, de la distanta. Am descris 204 evenimente asasinari si mutilari organizate prin telepatie de la distanza, in cartea Etern Ordin. Doresc cu ajutorul la aceste explicatii, expuse on-line gratuit si intr-o carte, sa distrug secretul profesional, pedofilia profesionala, inselaciunea profesionala, asasinarile profesionale, si terorismul profesional, si sa opresc mafiile sapte chakre, sa mai tortureze, mutileze, streseze, si asasineze alte persoane, pentru glanda pineala, Biblie, Quran, engleza, araba, latina, si astfel de experimente. ------ Mafiile sapte chakre, pentru ca eu am scris intr-o carte cum ei inseala, tortureaza, streseaza, umilesc, si omoara victimele lor, vor sa imi scoata toata inteligenta din creier cu ajutorul la gaze, infectii, boli, substante, psihofarmace, diagnosticuri false, etc. Acesti monstri inmultesc problemele stresul bolile etc in jurul meu. Astept de 13 ani, protectie si ajutor, si sa aud la televizor, judecatorii preotii magii politistii doctorii etc, din Italia, Israel, Islam, Vatican, Egipt, Romania, etc, ca vor dreptate adevar si eternitate, pentru Talin Anton Cristian, persoanele sechestrate si omorate in experimentul Etern Ordin, anatomie, stiinte, creator, si toti zeii persoanele etc din tot infinitul. Au asasinat persoane din jurul meu. M-au amenintat cu moartea, au organizat tentative de omor, se pun de acord cu medicii sa imi falsifice analizele medicale sa imi dea diagnosticuri false si tratamente inutile, etc. ----- Toate tarile lumii cauta adevarul, creatorul, eternitatea, pacea, etc? Nu. Adevarul si creatorul, sunt cautate numai de diavoli, pentru ca sa le fure si distruga. Toate tarile lumii ascund adevarul, creatorul, eternitatea, pacea, etc, chiar video online, chiar de 13 ani. Si la ce pret? Asasinari video on-line. Tentative de omor video on-line. Amenintari de moarte video on-line. Drogari cu gaze video on-line. Diagnosticuri false, platite sau organizate prin telepatie. Aluzii de asasinare sau moarte. Intimidari. Santaj. Epuizari. Mutilari anuntate prin telepatie. Etc. Incredibil. Mafiile sapte chakre, inseala, mutileaza, fura, si omoara prin telepatie, si cand am fost si am vorbit la tribunalul de la Roman cu procurorul, ca asasinarea lui tata a fost programata deja doua mii de ani in urma la varsta lui de 67 de ani, pe 13 iulie 2012, pentru experimentul RomaNia RomaN Roma SanNio EnNio SanZio TreNto TreNtino SSS666NNN SeveN, mi-a spus ca tribunalul nu poate rezolva infractiunile comise prin telepatie. Nu se poate ajunge la autori. Victimele teroristilor telepatici, si mafiilor sapte chakre nu au fost niciodata despagubite. Toate victimele la mafiile sapte chakre au fost abandonate de tribunale, media, biserici, etc, si foarte multe dintre ele au fost asasinate chiar de ei. Toate urmele si cartile lor au fost confiscate, manipulate si distruse. Isus Hristos, Ioan Botezatorul, Maria, Adolf Hitler, etc, au cazut in capcana teroristilor telepatici, si mafiilor sapte chakre, si au fost asasinati trup suflet si intelectual. Zero despagubiri si dreptate. Dreptatea pe care le-o dau eu aici, nu au ce sa faca ei cu ea. Sunt deja morti. Au avut pierderi enorme din cauza teroristilor telepatici, si mafiilor sapte chakre. In sfarsit existenta a ramas fara secrete profesionale. Santaj, torturi, inselaciuni, holograme, talharii, si asasinari organizate prin telepatie de teroristii telepatici, si mafiile sapte chakre.----- Sa scrie toate persoanele care au experiente de acest gen, cate o carte. Astfel de torturi asasinari amenintari etc, organizate prin telepatie nu trebuiau gandite si organizate. Daca toate victimele si complicii scriau cate o carte despre secretele preotilor, magilor, si mafiilor sapte chakre, acestia se opreau din razboaie, comploturi, experimente, asasinari, etc. Despagubiti si protejati victimele la mafiile sapte chakre. Nu le mai stresati si drogati cu medicamente, gaze, probleme, telepatie, asasinari, amenintari, intimidari, etc, doar nu sunteti o tara numai de diavoli talhari extorsori mincinosi canibali vampiri talhari si asasini. S-au obisnuit ca tribunalul nu ai ataca, ca victimele lor sfarsesc asasinate sau cu creierul sters de gaze psihofarmace alcol sau etc, media nu publica, victimele sunt teleghidate prin telepatie sa nu publice, sa isi caute alte ocupatii, sau sunt intimidate si amenintate cu asasinari insulte etc, etc. ------ Incredibil. Caut dreptate teorii si adevar, de 13 ani, video on-line, despre Experimentul Etern Ordin, SSS666NNN, asasinari, creator, eternitate, pace, asasinari, genocide, etc, si am primit numai amenintari de moarte, tentative de omor, gaze, infectii, boli, probleme, santaj, stres, scandaluri telepatice, insulte telepatice, diagnosticuri si tratamente false, fracturi, etc. Mafiile sapte chakra vor sa ma lase fara vedere, ca sa nu mai caut adevar, dreptate, despagubiri, creator si pace nici pentru mine si nici pentru voi. Am avut pierderi de vedere. Vedeam in ceata pentru cateva minute. Sau vor sa imi stearga memoria cu gaze, substante, psihofarmace, etc, puse prin alimente, baruri, bauturi, telepatie, etc. Sunt cel mai important martor al aparitiei video a creatorului existentei, apocalipsei, adevarului, la diverse asasinari video on-line, genocide, etc. Ce groaznic este, deoarece pe plameta Pamant, de trei mii de ani nu sunt construite legi, tribunale, biserici, etc, pentru a studia si opri astfel de experimente, si pentru a despagubi victimele lor. Sau mai rau, au construit legi, tribunale, biserici, etc, pentru a incuraja, facilita si ascunde astfel de experimente,

genocide, asasinari, inselaciuni, minciuni, etc. Sper ca intr-o zi cat mai apropiata sa primesc despagubiri si dreptate, iar voi sa primiti adevarul despre aceste inselatorii torturi asasinari si genocide. Sa scrie toate victimele la mafiile telepatie experienta pierderile mutilarile amenintarile etc pe care le-au avut. Numai in felul acesta puteti obliga mafiile sapte chakre sa nu mai ucida omoare fure si insele prin telepatie.------- Tot ce exista si este adevarat in magie in infinit, este expus video in experimentul Etern Ordin. 3311. Pe plan religios nu am nici o boala. Nu ma rog la lemne persoane zei si creaturi moarte vii inexistente ascunse sau nenascute. Nu particip la ritualuri de crima si canibalism. Nu am amulete cu persoane torturate asasinate si spanzurate in chiloti, pe litera t, la gatul meu. Nu ma sfintesc pacific eternizez si destept cu apa cu sare, anul 2000, Izrael Italia Islam Egipt Vatican etc, carti din epoca de piatra, etc. Nu cred in invierea trupurilor din morti in anul 2000 in Izrael, la toti zeii sufletele persoanele creaturile etc din tot infinitul trecut spatiu si din tot infinitul viitor spatiu, morti, vii, sau nenascuti. Nu cred in reincarnarea corpului dintilor sangelui bolilor si inteligentei, la toti zeii sufletele persoanele creaturile etc din tot infinitul trecut spatiu si din tot infinitul viitor spatiu, morti vii sau nenascuti. Cred in reincarnarea sufletelor in corpuri umane, deoarece mi-a aratat creatorul existentei in codurile video Etern Ordin, SSS666NNN, 24999, etc. Sunt atent la psihologii escroci, psihologii asasini, psihologii invidiosi, doctorii asasini, doctorii santajati, judecatorii amenintati, preotii posedati, politicii canibali, etc, sa nu imi construiasca tulburari de gandire, tulburari de adevar, tulburari de stiinte, tulburari de anatomie, tulburari de Etern Ordin, etc, astfel incat sa ma puna sa ma rog la lemne, sa astept sa vina anul 2000, sa cred ca corpul meu desi nu este mort, el va invia in anul 2000 desi anul 2000 a trecut, etc. Au incercat din anul 1975, de la nastere mea, sa ma controleze manipuleze etc. Mi-au prescris tratamente, si pastile cu scopul de a imi provoca tulburari de gandire, tulburari de adevar, tulburari de stiinte, tulburari de anatomie, tulburari de Etern Ordin, tulburari etc, dar nu au reusit. Mi-au drogat aerul, mancarea, apa, etc, pentru a imi distruge creierul si gandurile. Inca nu au reusit. Au inventat cantece filme si emisiuni sa imi dea sfaturi. Etc. Am scris si demonstrat in cartea Etern Ordin, ca sunt sanatos stiintific, politic, religios, spiritual, sentimental, si psihologic. Daca asi accepta Biblia, Coranul, epoca de piatra, Italia, Israel, Islam, Egipt, Vatican, etc, ma imbolnavesc, mutilez, insel, si omor trup suflet si intelectual. Nu numai pe mine. Omor si toti zeii sufletele persoanele creaturile etc din tot infinitul trecut spatiu si din tot infinitul viitor spatiu. Cele mai sofisticate santajuri, intimidari, amenintari, asasinari, mutilari, etc, din tot infinitul trecut spatiu si din tot infinitul viitor spatiu, au fost organizate video online, in experimentul Etern Ordin. Va chinuiti inutil sa ma inselati. Creatorul existentei, anatomia, corpul invizibil viu infinit, stiintele, etc, nu va creaza nici o posibilitate. Nu ati reusit in anul 1975, nu ati reusit in anul 2011, nu o sa reusiti tot infinitul trecut spatiu si tot infinitul viitor spatiu. Asa arata anatomia, matematica, stiintele, magia, tehnologia, iubirea, adevarul, unitatea, ordinea, intelegerea, pacea, egalitatea, respectul, eternitatea, creatorul existentei, corpul invizibil viu infinit, Etern Ordin, 24999, etc, tot infinitul trecut spatiu si tot infinitul viitor spatiu. ----- Am observat, ca alcolul, minciunile, Biblie, Coranul, dezinformarea, epoca de piatra, etc, au declansat la majoritatea persoanelor zeilor sufletelor etc, groaznice si sofisticate tulburari de gandire, tulburari de adevar, tulburari de stiinte, tulburari de anatomie, tulburari de Etern Ordin, tulburari etc. Si am facut si tratament. Cartea Etern Ordin. Psihologii de pe planeta Pamant au facut si ei tratamente. Mancaruri, bauturi, si aer cu psihofarmace pentru a sterge memoria la toate persoanele, de Biblie, Quran, minciuni, etc. Inca nu si-au dat seama, ca ei vor sterge memoria la sapte miliarde de persoane, de orice informatie. Noroc ca gandesc eu. Asta face un profet bun. Vede ce fac diavolii. Vede planurile lor. Psihologii diavolului, preotii diavolului, judecatorii diavolului, si politicii diavolului, vor sa conduca toate persoanele zeii etc din tot infinitul trecut spatiu si din tot infinitul viitor spatiu, in Bibilie, latina, rugaciuni, ritualuri de crima si canibalism, secrete, necunoscut, dezinformare, etc. Alti psihologi preoti judecatori magi preoti etc ai diavolului, vor sa conduca

Noroc ca invii eu din morti, toate sufletele, de fiecare data cand, diavolul reuseste sa va insele si sa va omoare. ---- Telepatia sufletului meu, creatorul creatorilor, regele regilor, dumnezeul dumnezeilor, creatorul timpului spatiului existentei inteligentei microcipului etc, etern invizibil, NMEILIS NMEINIS ESGSEIS. 3311. Religiously I have no disease. I do not pray to wood, or to persons creatures and gods, non-existent living hidden or unborn. I do not participate at rituals of murder and cannibalism. I have no amulets with tortured persons, murdered and hanged in panties on the letter t, at my neck. I do not sanctify myself peacefully, immortalize and informe with salt water, the year 2000, Israel Italy Islam Egypt Vatican etc, books from the stone age, etc. I do not believe in the resurrection of the bodies from the dead in year 2000 in Israel, at all the gods, souls, persons, creatures, etc from all the infinite past space and from all the infinite future space, living or unborn or dead. I do not believe in the reincarnation of the body, the teeth, the blood, the diseases and the intelligence, at all the gods, souls, persons, creatures, etc. from all the infinite past space and from all the infinite future space, living dead or unborn. I believe in the reincarnation of the souls in human bodies, because the creator of existence has showed me, in the video codes Eternal Order, SSS666NNN, 24999, etc. I am wary of crooked psychologists, murderous psychologists, envious psychologists, murderous doctors, blackmailing doctors, threatened judges, possessed priests, cannibal politicians, etc, not to build my thinking disorders, truth disorders, science disorders, anatomy disorders, Eternal Order disorders, so that they can make me to pray to the wood, to wait the year 2000 to come, to believe that my body, although not dead, will resurrect in the year 2000 even though the year 2000 has passed, etc. They have been trying since 1975, since my birth. They prescribed me treatments, and pills in order to cause thought disorders, truth disorders, science disorders, anatomy disorders, Eternal Order disorders, disorders etc, but they have failed. They drugged my air, food, water, etc, to destroy my brain and thoughts. They still haven't succeeded. They invented movie songs and shows to give me advice. And so on. I wrote and demonstrated in the book Eternal Order that I am healthy, scientifically, politically, religiously, spiritually, sentimentally, and psychologically. If I accept the Bible, the Quran, the Stone Age, Italy, Israel, Islam, Egypt, the Vatican, etc, I get sick, mutilated, deceived, and killed body and soul and intellectual. Not just me. I kill and all the gods, souls, persons, creatures, etc from all the infinite past space and from all the infinite future space. The most sophisticated blackmail, intimidation, threats, assassinations, mutilations, etc, from all the infinite past space and from all the infinite future space, have been organized online video, in the Eternal Order experiment. You torment me unnecessarily to deceive me. The creator of existence, anatomy, the infinitely living invisible body, the sciences, etc, will not create any possibility. You did not succeed in 1975, you did not succeed in 2011, you will not succeed in all the infinite past space and all the infinite future space. That's how it is anatomy, mathematics, sciences, magic, technology, love, truth, unity, order, understanding, peace, equality, respect, eternity, the creator of existence, the infinite living invisible body, Eternal Order, 24999, etc, all the infinite past space and all the infinite future space. ----- I have noticed that alcohol, lies, the Bible, the Quran, misinformation, the stone age, etc, have triggered at most persons gods souls etc, sophisticated disorders of thought, disorders of truth, disorders of science, disorders of anatomy, disorders of Eternal Order, disorders, etc. And I also did treatment. The book Eternal Order. Psychologists on planet Earth have also done treatments. Food, beverages, and air, with psychotropic drugs, for to erase the memory at all persons, of the Bible, Quran, lies, etc. They have not yet realized that they will completely erase the memory of any information, at seven billion persons. Luckily I'm thinking. That makes a good prophet. See what the devils are doing. See their plans. The psychologists of the devil, the priests of the devil, the judges of the devil, and the politicians of the devil, want to lead all the persons, souls, gods, etc from all infinite past space and all infinite future space, in the Bible, Latin, prayers, rituals of crime and cannibalism, secrets, unknown, misinformation, etc. Other psychologists, priests, judges, magicians, priests, etc of the devil, want to lead all the persons souls gods etc from all the infinite past space and from all the infinite future space, in the Quran, Arabic, prayers, murder and cannibalism rituals, circumcisions, secrets, unknown, misinformation, etc, or in Russian etc, or in English, or in capitalism, or in communism, or in disinterest, or in misinformation, or in etc. ---- Surely and precisely the devil has managed to lead you into wars, racism, envy, secrets, unknown, lies, hell and death. Now we know that the creator is invisible, alive and present.

3331. The Creator is invisible. The Creator is not a person. It is like a soul a one person. Nor a person soul god etc, can not see the creator. The creator cannot be recorded in his invisible form, but in the videos codes Eternal Order, SSS666NNN, 24999 etc, the creator showed me that the codes and the book Eternal Order, are not my thoughts and are not my energies. It is his plan, rays, intelligence, and invisible body in these videos. He announced the apocalypse. Seven billion persons will be killed in the SSS666NNN apocalypse. Has announced this invisible creature. The sphere of energy, from the tarot card ZeN, 24, is the creator imagined by ZeN. I don't see nothing, I don't see a sphere, or a creature, or colors, or etc, but I see the effects at this invisible creature. Communicate with me only through telepathy telekinesis etc. No voice, etc. So he has no mouth, etc. He is the author of this code. The person in the 24 x ZeN tarot card is me. This tarot card explained to me and you, as best I could, who the authors of this code are. This invisible creature, self-signed creator, me too. And he also announced the apocalypse.

3331. Creatorul este invizibil. Creatorul nu este o persoana. Este asemanator la un suflet de persoana. Nici un om suflet zeu etc, nu poate vedea creatorul. Creatorul nu poate fi inregistrat in forma lui invizibila, dar in videoclipurile Eternl Ordin, SSS666NNN, 24999 etc, creatorul mi-a aratat ca codurile si cartea Etern Ordin, nu sunt gandurile mele si nu sunt energiile mele. Este planul, razele, inteligenta, si corpul invizibil,a lui, in aceste videoclipuri. A anuntat apocalipsa. Vor fi ucise sapte miliarde de persoane in apocalipsa SSS666NNN. A anuntat aceasta creatura invizibila. Sfera energiei, din cartea de tarot ZeN, 24, este creatorul imaginat de ZeN. Eu nu vad nimic, nu vad o sfera, sau o creatura, sau culori, sau etc, dar vad efectele la aceasta creatura invizibila. Comunica cu mine doar prin telepatie telekinezie etc. Fara voce, etc. Deci nu are gura limba etc. Este autorul acestui cod. Persoana din cartea de tarot 24 x ZeN, sunt eu. Aceasta carte de tarot mi-a explicat mie si voua, cat a putut mai bine, cine sunt autorii acestui cod. Aceasta creatura invizibila, autosemnata creator, si eu. Si a anuntat si apocalipsa.
